## AND 3 BOARD MEMBERS

### Belvil Community Hospital Directors Re-elect Officers

BELLEVILLE--The corporate board of the Belvil Community Hospital Corporation, owners and operators of the Belvil Community Hospital, 105 Main Street, re-elected present officers and three board members whose terms had expired.

The election was held at the corporation's annual meeting held (Jan. 25) at Lofy's, Ann Arbor Trail and Lilley Road, Plymouth.

### Father-Son Banquet Announced

BELLEVILLE -- The Methodist Men's Club and Women's Society of Christian Service are co-sponsoring a Father and Son Banquet Feb. 28, at 6:30 p.m.

The annual banquet will be held at the First Methodist Church, 455 High Street. In charge of ticket sales are Ed Sienko, treasurer of First Methodist Church; and Darryl Raymond, Jr.

Admission is \$1.50 for adults and 75 cents for children 12 years of age and under. Entertainment by "Ricky the Clown," of radio and television will be presented. In last week's issue of this paper, it was reported in error that the Belleville Rotary Club was sponsoring the banquet.

Officers re-elected were: Rev. Allan B. Rice, II, president; Pat. Greathouse, vice-president; Royce E. Smith, Belleville's mayor, treasurer; and Irwin W. Stech, secretary.

The three directors re-elected to the Board for new three-year terms were: John B. Barber; Smith and Stech. Other directors are Greathouse, Rev. Albert J. Foltz, Alton P. Shirley, Louis A. Toth and G. Elton Gollwater.

Immediately following the first annual meeting of the corporation board consisting of a nine member Board of Directors and 12 corporate members elected by the Board to assist in setting policy and electing officers, officers and directors heard a progress report on hospital operations and programs by Board President Rev. Rice.

His report was followed by reports from standing committees: Joint Conference Committee of staff and board members; Building and Maintenance Committee and by William E. Hinche, hospital administrator.

Drs. Paul Armstrong, chief of

### IN VAN BUREN 2 Killed; 5 Injured Critically in Crash

VAN BUREN -- A car smash-up on East Huron River Drive, just west of Edison Lake Road, Van Buren Township, at 10:20 p.m. last Friday (Feb. 9) fatally injured two teenagers and critically injured five others.

Killed instantly when the car veered off the road and smashed into a tree, 16 feet from the roadside, were James Watkins, 19, of 5679 Campbell, Dearborn Heights, driver of the car; and Gary Foley, 15, of 35676 Herman, Romulus Township, a passenger.

Taken to Wayne County General Hospital by ambulances and Wayne County Sheriff's Road Patrol officers in a critical condition were: Gary Lynch, 15, of 5679 Campbell; Kenny Dittich, 16, of 5688 Campbell; Larry Wallace, 17, of 5687 Campbell, all

### Church Announces 'Day of Prayer'

BELLEVILLE -- "The World Day of Prayer" will be held at the Belleville United Presbyterian Church, 11900 Belleville Road, Friday, March 1, at 1 p.m., Mrs. Dolores Pike, program chairman, announced.

An invitation is extended by the Rev. Paul D. Cross, pastor, to all area churches and their members to attend.

## Van Buren School Board Seeks Parents' Support

### UNTIL ANNUAL MEETING

### Pay Boost for Romulus Board Members Postponed

ROMULUS -- A resolution to increase the annual salaries of Romulus Township Board trustees and administrative executives prior to the annual township meeting of electors met without success at last week's Board meeting, Feb. 5.

Upon advice of John E. Young, township attorney, Board members failed to act on the motion. Young reported that the two statutes involved are "conflicting" and the one that the Board should follow states: "There will be an Annual Meeting of electors of each Township on the Saturday preceding the first Monday in April each year."

The resolution to increase salaries was presented by Trustee Jimmie Raspberry. He was supported by Trustee Norbert Weglenka. The resolution stated:

"Resolved that the salaries for the following Township officials for the fiscal year 1968-69 shall be as follows: Supervisor, \$14,000; Township Clerk, \$11,000; Treasurer, \$11,000; and Trustees, \$2,400 per year. Reimbursement for ex-

penses actually incurred shall remain the same as now in force and special items of reimbursements shall be determined by the Township Board on an individual basis. This resolution shall be subject to the provisions of the Statutes of the State of Michigan as to officials' effective date and submission to the Township electors."

Township trustees presently

receive \$2,000 annually; Supervisor receives \$13,900; clerk and treasurer each receive \$10,700.

Salaries can be raised by resolution 60 days before the Annual Meeting or by the electorate at the Annual Meeting, it was stated. The offered resolution failed to meet the 60-day period as the Annual Meeting is 56 days away.

### Community College Trustees' Election Set

The Wayne County Intermediate Board of Education established June 10, for the election of the seven members for the Wayne County Community College Board of Trustees at a special Feb. 7, meeting.

An election will be held on this date in each of the seven Community College Trustee Election Districts, as authorized by the Intermediate Board of Education on Dec. 13, 1967.

A Wayne County Community College Trustee will be elected from each of the seven Community College districts. Since August 1967, the following developments for a Wayne County Community College have been:

● The Michigan legislature in August 1967 passed Public Act 285 -- which established Wayne County as a Community College district (excluding the territory within the Schoolcraft and Henry Ford Community College areas.)

● This new law required the Wayne County Intermediate Board of Education to divide Wayne County into seven election areas, as nearly equal in population as practical, to establish the seven member Wayne County Community College Board.

● Seven Community College Trustee Election Districts were designated on Dec. 13, 1967, as requested by P.A. 285.

### Huron Township Meeting Reset

NEW BOSTON -- The Huron Township Board will hold its regular meeting, scheduled for Feb. 19, on Thursday, Feb. 15 to permit Board members to attend sessions of the National Association of School Administrators.

The week-long sessions will be held at Atlantic City, N.J., starting Feb. 16.

### Plans for Lions Club In City are Underway

BELLEVILLE -- An organization program to establish the City of Belleville's first Lions Club has been announced. Initiatory plans for formation of the community's new club are being spearheaded by Charles Lavery, of Wayne, former president of the Belleville Jaycees and now vice-president of the Wayne Lions Club and Chum Stockwell of Belleville. Others from Belleville have joined in the plans.

Last week Belleville area men were hosted by the Wayne Lions Club (Feb. 7) at Seil's Lounge, 1609 North Wayne road. Some 60 persons were in attendance including six from Belleville.

Purpose behind the invitation sent out by Lavery was to acquaint Belleville leaders with the purposes and workings of the Lions International, the largest service club in the world in the hopes of starting a Lions Club in Belleville.

STOCKWELL REPORTED after the meeting that to start the club in Belleville requires men who are interested in brotherhood and community

services and activities, and in the aims and goals of the Lions whose motto is, "We Serve." The members of the Lions Clubs are selected from the community's leading business and professional men, industrialists, farmers, clergymen, educators, merchants and others.

They are pledged through Lionism to help those less fortunate than themselves. Lionism is non-sectarian, yet it encourages religion and religious observances and church loyalties. It is non-political, yet it inculcates a lively interest in governmental and civic affairs.

The purposes of a Lions Club is to determine community needs and develop means of meeting them, either through its own efforts or in cooperation with other agencies.

Lions Clubs provide good fellowship and club social life for their members. A Lions Club also keeps friendships in good repair. Lionism is an active and efficient medium for united community effort and enterprise.

### Millage Election Set For March 4

Officials OK Distribution  
Of 2 'Position' Statements

By HENRY CANTIN  
ANP Staff Writer

BELLEVILLE -- Two communications detailing reasons behind proposed school millage requests and seeking the support of parents of students attending Van Buren Township Schools was announced by School Superintendent Harold O. Wetherell.

The distribution to parents of the communications was unanimously approved by the Van Buren Township Board of Education.

Voters are being asked to approve mill levy of 10 mills per \$1,000 of assessed property valuation, state equalized in a special election March 4. The requested millage up for approval is solely for school operations for the next five years, school administrators state, and consists of a renewal of a 4.5 levy that expires this year and additional millage of 5.5 mills.

For the benefit of our readers we submit the statement of the School Board, it follows:

Dear Parent:  
Public schools are financed primarily in two ways - by state funds, provided by an act of the legislature commonly called State Aid, and by property taxes raised in the local community.

In the last few years the cost of operating our school system has been steadily increasing just the same as the cost of most other things like housing, food, clothing, etc.

We have been trying desperately to keep pace with these rising costs and maintain the

(See PARENTS page 2)

### Romulus Seeking Coordinator

ROMULUS -- The Industrial Development Committee of Romulus Township is seeking an Industrial Coordinator.

The Township Board last week instructed Alfred J. Perry, township clerk, to immediately advertise for applicants for the post.

In a motion made by Trustee Jimmie Raspberry and supported by Trustee Joseph Wallis, the board approved unanimously to "reactivate" the committee.

Organized four years ago, under the leadership of Edmund Bizek, township supervisor, interest by some members of township's Industrial Development Committee members "tapered off," Bizek disclosed. The committee, currently with four vacancies, is composed of leading and prominent citizens of the township.

Names of applicants who filed for the position will be submitted to the Township Board for action and interview.

### Belleville Area Chamber Hears Community Development Plans

BELLEVILLE -- "Action for the Future and Community Betterment" was the theme at the annual meeting of the Belleville Area Chamber of Commerce held last Thursday, Feb. 8.

Some 60 members and guests attended the meeting.

Featured speakers at the meeting held at Rogalle's Lounge, were representatives from the Van Wert, Ohio, Chamber of Commerce; William Derry, druggist and chairman of the Van Wert's Chamber of Commerce's Community Development Program; and Hal Crater, the Chamber's executive manager.

They presented a program of their operations with pictorial slides and a narration of "what

to do, how to do" on starting a similar community development program for the Belleville area.

Justin Emerson, president of the Belleville Chamber of Commerce and Merrill Bird, executive director, reported an increase of 10 new members in the local Chamber, bringing current membership to 75. Bird commented that increased membership (the current goal is 100) would provide impetus to planned programs including a monthly Bulletin.

\*\*\*

A CHRONOLOGICAL outline for "Total Community Development Program" was presented by the speakers. They

outlined detailed formation of required committees and their areas of duties, memberships and responsibilities.

"Such a program as balanced community development is designed with all groups in mind . . . to create new interest and get the pulse and thinking from people who ordinarily would not step forward to this responsibility. Your community is certainly blessed with a vast potential of leadership, based on the number of community organizations and activities, but it is also a busy community with wide interests and these interests must be channeled to fit a program of balanced community development," Derry said.

LIONS CLUB FOR BELLEVILLE? -- Belleville area residents and civic leaders shown above were guests last week of the Wayne Lions Club. They along with some 60 others heard the aims, purposes and programs of the Lions International and its chapters. It is the hope of the Belleville group to start a Belleville Lions Club. Left to right are: Grant Oelke, Bernie Childs, Burton L. Griffith, Duane Ross, Bob Cook and Ed Gray. The attractive young miss is Rita Milland of Wayne, a North Central Airlines stewardess, who along with other aviation people, attended the affair.

### Letters on School Millage Welcomed

A special school election seeking voter approval of mill levy requirements totaling 10 mills for each \$1,000 of assessed property valuation, state equalized, will be held March 4.

The Van Buren Township Board of Education, school officials and administrative staff urged qualified voters to approve the requested millage needed to meet costs of school operations for the next five years.

The millage proposition to be presented to voters March 4 will call for renewal of a 4.5 mill levy expiring this year and an additional 5.5 mills to continue the school system's present level of education, school executives reported.

We, here at the Enterprise-Roman, would like to hear the pro and con views of residents of the Van Buren Public School District. We would like to know how you feel about current school programs and operations. March 4 is just 19 days away.

Letters to the editor must be signed and any request to withhold the sender's name will be honored.

(continued from page 1)

high quality educational program for our boys and girls. Up to now we have been able to do this without raising taxes and without in any way diminishing the quality of our educational system of which we are all so proud.

However, the time has come when we have reached the bottom of our financial barrel. Your Board of Education has steadfastly refused to go into deficit financing and place the school district in debt. In June, 1968, we will and the school year approximately even - with no surplus balance but also with no debt.

IN ORDER to maintain the same level of educational program that we have had in the past, the Board of Education estimates that it will require an additional tax of \$4.00 per thousand dollars of State Equalized Valuation. This is the minimum amount needed just to maintain the status quo.

If we are to keep up with the surrounding school districts and maintain comparable salary levels so that we can attract and retain good teachers in our school system it will be necessary to raise an additional one and one-half dollars per thousand.

This will amount to a total increase of \$5.50 per thousand on the State Equalized Valuation. It will also be necessary to renew \$4.50 per thousand which expires in 1968.

## S.S. Lists Area Hours

BELLEVILLE -- A field representative from the Social Security Administration for the Dearborn Social Security District Office will conduct assistance sessions at Belleville Municipal Building, 6 Main Street, on the last Thursday of each month, Louis Levine, district manager, announced.

Assigned to the Belleville area is Joseph Mayo, field representative. The hours for interviews and inquiries will be from 9 to 11:30 a.m.

In prior weeks, these sessions were conducted at the Old Van Buren Township Hall, Fourth and Main Street.

staff and Robert Moyad, assistant chief of staff, also presented their medical activity and program report.

Hinchey in commenting on the annual meeting said:

"It is very gratifying to me to see the attendance and interest shown at the annual meeting. It indicates a strong interest by corporate members into the progress, growth and welfare of the Belvil Community Hospital."

Current occupations of the now constituted Board of Directors are:

Pat Greathouse is a vice-president of the UAW-CIO; John B. Barber, local Chrysler-Plymouth car dealer; Royce E. Smith, Belleville's mayor; Irwin W. Stech, city clerk; Alton P. Shirley, attorney; Rev. Allen E. Rice, II, pastor of the First Methodist Church, Belleville; Rev. Albert J. Folta, pastor of St. Anthony's Catholic Church, Belleville; Louis A. Toth, Van Buren Township supervisor; and G. Elton Gollwater, Kelsey-Hayes Company vice-president.

## CRASH

(continued from page 1)

of Dearborn Heights; and Joseph Abraham, Jr., 16, of 6338 Princess, Taylor Township. The condition of these five passengers remained critical at edition time.

Sgt. Robert Sullivan of the Road Patrol reported that Patrolmen Fred Reiman and his partner Gerald Gutz, then in the vicinity, reached the scene of the accident within seconds.

They worked feverishly in extricating the injured passengers. Patrolman Reiman pulled nearly all of the ligaments in his right arm in so doing, Sgt. Sullivan disclosed.

Sheriff's officer, following a preliminary investigation of the crash, reported that the driver was driving "too fast" for the area (posted speed limit is 35 miles an hour). Two passengers reported that the driver lost control when attempting to pass another car, the officers stated.

The teenagers, police reported, were returning home from Belleville when the accident happened. The investigation is continuing.

## Opens Pharmacy

BELLEVILLE -- Robert T. Oliver, son of Mrs. Dorothy Oliver of Ypsilanti and formerly of Belleville, and his wife, Sally, have opened a pharmacy in Stephenson, Mich., his mother announced.

The new drug store opened Feb. 2, Mrs. Sally Oliver is the pharmacist.

BELLEVILLE -- Boy Scout Troop No. 231 held its annual dinner, (Feb. 4) at the Trinity Episcopal Church. The dinner, a picnic buffet, was planned by the Mothers Auxiliary.

Guests for the evening included Huron District Executive Don Nelson and Mrs. Nelson; Community Commissioner George Haft and Mrs. Haft and Neighborhood Commissioner Stanley Clayton and Mrs. Clayton.

The program was hosted by Larry Hartwick, committee chairman, who introduced a scout welcome presented by Scout Ron Chamberlain. Slides of the troop scouts in action were shown by Assistant Scoutmaster Tony Talaga.

Scoutmaster Ken Harden conducted a Court of Honor with the assistance of Haft and Clayton.

THE FOLLOWING RANKS were presented -- Tenderfoot, Bill Price, James Emhoff, Ron Chamberlain, Arthur Martin, Chris Stinehour, Ron Allard, John Price, Joel DeTar, and Calvin Walls.

These boys also received the Troop 231 Neckerchief, made by the auxiliary and given to each new tenderfoot.

Greg Daroci, Vince Wegienka and Jeff Liedel received First Class ranks. Mike Hogan received life rank and Steve Salis-

bury received his Star. Thirty-one merit badges were also presented to 14 boys of the troop.

Mrs. Jane Light conducted installation ceremonies for the Mothers Auxiliary. She also presented a "thank-you badge" to Mrs. Dorothy Simons for her work as reporter and a "thank-you plaque" to Mrs. Lillian Ray for her work as Spice Chairman for the past four years.

Haft announced that Life Scout Dean Ackron had received that afternoon the Boy Scout recognition of earning a God and Country Award. It was presented at the Blessed Sacrament Church, Detroit, Feb. 11, Dean received the church recognition at the St. Anthony Catholic Church, Belleville.

## Teacher Thanked by Commander

BELLEVILLE -- Mrs. Barbara Kelly, one of Belleville High School's sophomore English teachers, who brought much joy and happiness to many orphans in Vietnam as well as many lonely soldiers, has received commendations from an

U.S. Army Official, it was disclosed. Mrs. Kelly wrote letters to soldiers in Ann Arbor, Ypsilanti, and Belleville area during the holidays to wish them a Merry Christmas and a Happy New Year.

She also sent boxes of food and clothing to the orphanage home. The postage alone for this was \$12.75.

A LETTER from one of the commanding officers stationed in Viet Nam thanking her for her kindness, is as follows: Dear Mrs. Kelly,

We would like to express appreciation for your interest and participation in our program of sponsorship for the World Evangelical Crusade Orphanage here at Da Nang Air Base (Republic of Vietnam). The Christmas party was a great success; the children were extremely happy with their

gifts. Through your help, this Christmas is one that the children at the orphanage will remember. We had the party on Dec. 24, and served them ham, burgers, hot dogs, potato chips, oranges, etc., which they enjoyed. Later the men of the squadron passed out individual gifts to the 200 children.

One of our men took some very fine photographs of the party; we have had copies made with the old adage that "a picture is worth a thousand words" in mind.

The children are appreciative of what we are doing for them and we are continuing in our program to assist the orphanage. Not only at Christmas time, but throughout the year the men are aiming at the idea everyday a holiday.

Commander

## Planners Get Back Pay

ROMULUS -- A previous Romulus Township Board action not to pay Planning Commission members for attending meetings was rescinded at last week's meeting of the Township Board.

The \$10 re-imbursement to members attending meetings was held up during a lengthy "dispute" among Board members on the appointments and re-appointments to the commission.

Edmund Bizek, supervisor, held that he had the right to make the appointments under statutes that created the commission. Some Board members

held otherwise. A referendum vote is scheduled.

Last week Trustee James Stewart moved to rescind the previous Board action. He was supported by Alfred J. Perry, Trustee Jimmie Raspberry cast the nay vote on the motion.

After the meeting, Bizek reported that back-pay due members of the nine-member commission who attended meetings and were not paid will amount to approximately \$750 at the rate of \$10 for members and \$15 for the chairman for meetings attended.

## Huron Board Approves Two Sewer Contracts

NEW BOSTON -- Two contracts for the construction of Huron Township's \$4,049,000 proposed sewer system program were approved by the Huron Township Board last Friday night, Feb. 9.

The contract involves the construction of sanitary sewer interceptor by Huron, Sumpter Townships and Flat Rock and for lateral sanitary sewers in Huron Township.

The Wayne County Road Commission under the contract will construct the two projects, George Angel, township supervisor reported.

THESE TWO projects as well as a proposed \$1,500,000 water system program to bring to

completion Huron's present water program will be financed through the issuance of bond issues with repayment by assessed millage over a long period.

At last Friday's Board meeting some 75 residents were in attendance. A lively discussion was held on all phases of the sewer program. Financing, engineering and other details of the Huron's section of the Wayne County Metropolitan Sewerage and Sewage Disposal System were also explained.

It was agreed by all at the meeting that the sewers were necessary, and several leading citizens present endorsed the program and asked township's residents to promote the speedy implementation of the program, Angel reported.

that the delay would cause us to lose the \$452,000 government grant and the \$75,000 share from the Huron Clinton Metropolitan Park Authority in the interceptor project.

"Finally," Angel reported "we would have to install sewers by orders of the Michigan Water Resource Commission which would add to the costs by higher interest rates on the bonds."

The supervisor strongly urged all citizens not to circulate or sign petitions for a referendum because we have nothing to gain but a lot to lose.

"THE PROPOSED sewer program will be the turning point for Huron by getting the needed tax base to properly run our schools and furnish the necessary services for our community. Last but not least this is a forward step in protecting the health of our people," Angel said.

A breakdown on proposed mill levy, residential tap-in charges and inspection fees show: An assessment of six mills per \$1,000 of assessed property val-

uation, state equalized. Tap-in charge: \$250 if applied for up to June 1, 1968, and \$300 after June 1. Inspection fee would be \$15.

A total of 465 existing homes would be served by the system along with 260 homesites when occupied.

A cost breakdown shows that Huron's share for construction of the Interceptor is \$909,200 and for sewer laterals \$3,140,000.

The \$420,000 government grant and \$75,000 from Huron Clinton Metropolitan Park Authority makes up the difference on the building of the Interceptor, Angel reported.

Public meetings on the sewer system program are scheduled for tomorrow, Feb. 15 at the Waltz Hall, and on Feb. 22, at Huron Elementary School. Both meetings are set to start at 8 p.m.

Representatives from the Water Resources Commission, Wayne County Road Commission, Shannon and Company, financial consultants; Wayne County Board of Health, Township Board, Brender and Brender, engineers; and township attorneys will be available to explain the program and answer questions, Angel stated.

GEORGE ANGEL

Benefit charges were reported at \$300 for lateral sewer project and \$200 for interceptor project.

## MEET CALL

### Sumpter Split-up Is Official

BELLEVILLE -- The Van Buren Township Board of Education was notified Monday night of the Michigan State Department of Education's formal approval on the reorganization of the impoverished Sumpter School District.

Reorganization of the Sumpter School System becomes effective June 7. It is to be split up among adjacent school districts.

Harold O. Wetherell, school superintendent, when informing the School Board of the state approving the decision of the Committee of School Reorganization of the Department of Education, stated that specifics on proposed boundary lines and a lot of details on possible financial settlements should be in the possession of the school board before actual take-over of Van Buren Township's portion of the Sumpter District.

"If the Sumpter School District winds up with a deficit, we feel that the state should make up this deficit and not our school system," Wetherell said.

He disclosed that Roger Boline, director of school management services division, has called a meeting for this Friday, Feb. 16 at 8:30 a.m. in Lansing to discuss various phases of the reorganization, take-over procedures and finances.

Local school officials leaving for the conference are Robert Gray, elementary school supervisor; Robert Hay, secretary of the School Board; School Attorney John MacDonald, and Harold Wetherell.

For the price of two airforce fighter bombers, UNICEF has provided vaccine to protect 226 million children from TB.

## FOR ROMULUS

### School Bond Issue Approved by State

ROMULUS -- Attorney General Frank J. Kelley, Chairman of the Municipal Finance Commission has announced that the Commission approved \$3,400,000.00 of "1968 School Building and Site Bonds" for Romulus Community Schools, Attorney General Kelley said.

"The proceeds will be used for the purpose of erecting, furnishing and equipping a new elementary school building and

additions to existing elementary school buildings, the high school building and the administration building; erecting, furnishing and equipping a maintenance building; re-equipping existing school buildings; improving existing school sites and acquiring additional land for site purposes," Kelley said.

"These bonds are unlimited tax bonds and will run until 1997. The school district is authorized to levy whatever taxes are necessary to pay principal and interest. These bonds are also qualified by the Superintendent of Public Instruction under the School Bond Loan Program," he added.

Other members of the Municipal Finance Commission are Allison Green, State Treasurer and Ira Polley, Superintendent of Public Instruction.

### Board Ok's Athletic Request

BELLEVILLE -- A budget appropriation for the Athletic Department of Belleville High School in the amount of \$5,783.15 for the 1968-69 school year was approved by the Van Buren Township Board of Education Monday night.

The amount authorized is for football equipment and represents a portion of the department's total budget of approximately \$10,000 for next year.

The Board acted after Athletic Director Harry Hidenfelter made his presentation for athletic equipment.

## New Junior High Plans Approved

BELLEVILLE -- Preliminary architectural plans for the new junior high school were approved by the Van Buren Township Board of Education Monday night.

A report and general review of the proposed junior high school was presented to the School Board by Thurston R. Jahr of the Jahr - Anderson Associates of Detroit, architects for the new high school.

In other business, the School Board formally signed the contract between the school system and the Bus Drivers Union. Harold O. Wetherell, school superintendent, reported that the "ironing out" of technical details and language of the new contract delayed formal signing. The contract terms were reached and approved upon some time ago.

Mrs. Pearl Helfrich and Mrs. Beverly Smith, negotiating team representatives, signed for the bus drivers and Charles Bole and Robert Hay, president and secretary of the School Board, for the Van Buren Public Schools.

# You'll buy a new furnace maybe once in your life. Here's how to do it right.

First, call Edison. We'll give you the names of electric heat contractors near you. Each has been Edison-approved as capable and reliable.

Next, the contractor will check your home, review your needs, and recommend the type of heat best for you. He will estimate both installation and operating cost and give them to you in writing. All without obligation. We'll check the quotes if you like.

Then, after your new electric heat system is installed, Edison and your contractor will make any adjustments necessary to the system if operating cost exceeds the original estimate during the first three years of use. At the end of this time, if operating cost still exceeds the estimate, and you aren't satisfied, Edison will remove the system and refund your original price.

That's our new Three-Step Protection Plan. Remember the first step. Call Edison.

## EDITORIALS

## Anarchy is No Solution Here

In a recent poll conducted on the Harvard campus, it was discovered that 25 per cent of the senior students who responded said that they intended to leave the country or go to jail rather than serve in the armed forces.

About 60 per cent stated that they would make a determined effort to avoid military service.

If the doctrine that the individual should defend his country only in those wars he approved of and obey only those laws he liked should ever become widespread, the future of an orderly society protecting individual rights and freedoms would be dim indeed.

## Poverty and Riots

Poverty is often given as the reason for much of the violence in our cities, and government leaders recommend spending billions of tax dollars to provide jobs.

This supposed connection between poverty and riots is seldom questioned, but Evangelist Billy Graham flatly rejects the claim that poverty is the cause of present civil disturbances. He points out, "there was no such rioting, looting or killing of police officers in depression days when people were much poorer."

To many, there is far more involved in the present breakdown of law and order than just the restlessness born of poverty.

Respect for law lies in the character of our people rather than in their affluence.

A law-abiding society is built on character, and character cannot be created or bought at will with tax dollars. On the contrary, freewheeling government spending and inflation are character wreckers.

## TO THE EDITOR:

Thank you for printing my controversial letter of last week. It has brought to me such interest and, in some instances, abuse I feel I would like to write another.

It seems to me that if the township supervisor and township board is truly concerned about the future of Van Buren Township, the feelings of our citizens, and their own political futures they would welcome a vote by the people on the proposed McMullan apartment project. This is the way the will of the people is expressed.

Mr. Toth says for us to be careful about having a vote because it may drive other developers away from our community. I think that, on the contrary, since, honest businesses like to situate in an area where the people have an interest in the kind of environment in which they want to raise their families. We should not be afraid to have ourselves heard! I always thought public officials were elected to do what the voters wanted, or are they? When Mr. Toth, and other township officials try to use their influence to sway the people in favor of a disputed development it makes me wonder what interests they have in this project.

THERE HAVE been many questions asked of me lately that

I cannot answer. I would like to ask the people of Van Buren Township these same questions. (1) Is it true that Mr. Volk, the developer of the McMullan project, has been denied permits to build further apartment houses in Lincoln Park and Allen Park because of the mismanagement and financial collapse of other projects he had in those areas? (2) Is it true Mr. Volk has purchased Mrs. Vincents property and will be requesting rezoning of this property to multiple dwellings in the near future? (3) Is it true Mr. Toth has options to purchase the land on West Huron River drive, recently used as a gravel pit, contingent on the rezoning of this property to multiple dwelling? (4) Is there proof the service drive will be rebuilt to sustain an additional 3,000 cars before the proposed 2,000 apartments are built? (5) What guarantee do the people have that we won't be asked to pay for more police protection, garbage disposal, sewer and water bonds, and road maintenance. For this project except the word of a developer? (6) What guarantee do we have that only a few "Deluxe" apartments and perhaps no golf course will be built and the rest of the land sold for low cost, low income, sub-standard apartment units? (7) This question I have reserved for myself. When will the government of Van Buren Township begin to be a government of the will of the people, and cease to be a tool of financial and political opportunists?

RODNEY A. BLY

OPEN LETTER TO THE HURON TOWNSHIP BOARD:

With all the recent meetings and no publicity in regard to a sewer program and local finances, here are a few questions I feel need answering to all Huron Township taxpayers.

Why is it wrong for the citizens of Huron Township to voice their opinion by voting on this sewer program, when a couple of years ago it was so necessary?

WHAT is the supervisor doing with the extra money he personally added to the millage voted for school purposes, 22.95 mills? He's collecting 23.02 mills. Does this pay for remodeling and carpeting his township office?

Was our representative the only out-county supervisor to vote for an increase in Detroit water rates to take effect this year?

WHY WAS the supervisor opposed to a previous sewer program? At a public hearing he stated the program was too small and cost too much! He proposed twice the program at half the cost. Obviously this isn't true -- HOW COME?

Is there a personal gain in running a trunk line sewer to our neighbors to the west? Why not spend the same amount to benefit Huron taxpayers?

Has sufficient effort been made to pay for this program by the established formula of 50 percent Federal money, 25 percent State money and 25 percent local funds?

Is it true the Huron Clinton Park Authority gets sewers at \$1.80 per foot, when Huron taxpayers pay upwards of \$31 per foot?

RICH OLNEY  
Huron Twp. Resident

## TO THE EDITOR:

A consensus of opinion indicates that the school bonds voted upon a few years ago (1965) are bonded for a stated purpose and therefore, must be used in this regard.

These bonds which amounted to \$4,500,000 are to be used for an auditorium, administration offices, a junior high school, an elementary school, and the addition of industrial shops to the high school. Thus far, only a portion of these funds have been used to finish the present junior high.

The Board is seeking voter approval of a ten mill rate for school operations. During this time we read of approvals, not without some difficulty because of costs, for the construction of a 1,200 seat auditorium and administration offices.

As I read this I ponder the question, why do we need these two structures which will consume approximately \$1,300,000 in tax monies. I wonder how these structures will contribute to the high school curriculums? What benefits will these buildings contribute to the education of our youth?

ARE THE voters forced to follow this former planning?

Are their monies to be used for buildings that seem highly impractical when other needs and curriculums are sorely needed in the terminal high school education of Van Buren youth? As I look over my son's 68-69 class registration forms, I see wood shop, drafting, machine shop, home economics, commercial courses, music, gym and the academic subjects.

The past years have shown the tremendous need for occupational emphasis, and the preparation of eighty per cent of our youth for the world of work. I question how the above school subjects are meeting the needs of occupational exploration.

WHERE is electronics, the nervous system of our times? Where is welding and metals,

paramount in structures and fabrication?

Where is plastics, a whole new world of synthetics?

Where is automotive shop, the studies of power and mechanics, the nucleus of our service and repair world?

Where is graphics, the reproduction of the written word, advertisements, the preparation of news media?

THE VAN BUREN STUDENTS ARE STILL WAITING TO EXPLORE THESE AREAS.

Two years ago "high class" machine shop addition and machines were added at a price of \$168,000. It seems to me that \$1,300,000 would add all of the above subjects which are vital for our youth now.

If we started this year, it would be two years before these studies would be available to our high school programs. The high school is still burdened with the ninth grade classes which were supposed to be in the junior high, which now is also filled to the brim. Where is the other junior high listed in the bond schedule?

AN ADMINISTRATION office would be nice and expand present quarters. The high school library still provides comfortable means for monthly board meetings. Certainly, if we have managed this long, a few more years won't hurt as much as the delay in educational necessities. The auditorium reminds me of whipped cream on a dessert.

The economics of 1968 are very much different from that of 1965. Just what will these structures contribute to the eighty per cent of our youth? In these times of money shortages, do these NON-EDUCATIONAL OPERATIONAL COSTS have to be added to the present burdens??? Why can't the practical buildings scheduled in the bond monies be given priority, because they mean new curriculums, new meaningful horizons for Van Buren youth.

NO GROUND has been broken for any structure, nor will the

present planning belost, if these structures were delayed. Fellow voters, for whom 10 mills has much meaning, what are your view points?

Fellow parents in Van Buren, it is the obligation of the high school to help our children

to make suitable future choices. Today it is OUR obligation as voters to state our observations and interests, which are now vital in helping to form critical decisions in the development of our schools.

Practical Voter

## What Does a Pastor Do?

The Pastor teachers, though he must solicit his own classes. He heals, though without pills or knife. He is sometimes a lawyer, often a social worker, something of an editor, a bit of a philosopher and entertainer; a salesman; a decorative piece for public functions, and he is supposed to be a scholar.

He visits the sick, marries people, buries the dead, labors to console those who sorrow and to admonish those who sin, and tries to stay sweet when chided for not doing his duty.

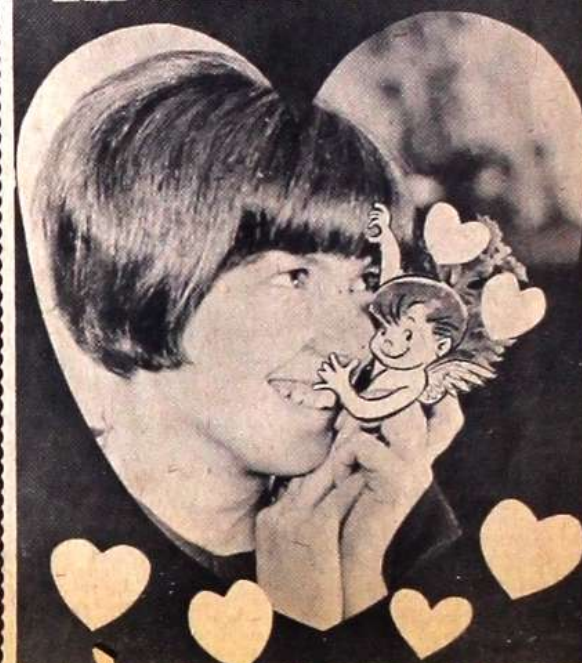

He plans programs, appoints committees when he can get them; spends considerable time in keeping people out of each other's hair; between times he prepares a sermon and preaches it on Sunday to those who don't happen to have any other engagement.

Then on Monday he smiles when some jovial chap roars, what a job - one day a week!

(Editor's Note: The above taken from "The Messenger" of the First Methodist Church, Belleville.)

## OVERHEARD COMMENTS BY THE GIRL FROM SKIPPER'S TABLE

In Case Of Love

GO DIRECTLY TO SKIPPER'S TABLE FOR VALENTINE'S DAY

The girl from Skipper's Table recommends that every one-in love, out of love or otherwise take a break and visit SKIPPER'S TABLE RESTAURANTS THIS VALENTINE'S DAY, Feb. 14th. Two locations to serve you: 33201 Plymouth Rd. at Farmington Road, Livonia and 7030 W. 7 Mile Road, one block west of Livonia. Lunch is only 99¢ weekdays. Dessert and beverage is extra.

## LETTER BOX

## TO THE EDITOR:

I would like to take this opportunity to thank the citizens of the Van Buren Educational System for their fine support of our Adult Education program. We have had an enrollment of over 200 adults as of Feb. 7.

We have made an effort to provide to the residents of our area a program of training in either specialized skills or just special interest classes.

By using our school after "normal school hours" our adults can use the facilities available as a social center, to expand their interests and find new ones, and to learn things to help them in their everyday living. Your comments on our program are always welcome.

Cleon Wright, Director  
Adult Education Program

The water used by 90 percent of the population in the developing world is either unsafe or inadequate, or both. UNICEF works to provide abundant, unpolluted water.

## Your Income Tax

(third of a series.)

### HEAD OF HOUSEHOLD

If you qualify as "Head of Household" you will benefit from lower tax rates.

To qualify as Head of Household, you must be unmarried or legally separated as of the end of the year. You must have furnished over half of the cost of maintaining a household for the entire year for at least one other person who is related to you. Your unmarried child, grandchild or stepchild must live with you.

These persons, however, do not have to qualify as your dependents in order for you to claim Head of Household. Your parents do not have to live with you, but they must qualify as your dependents. All other relatives must live with you AND also qualify as your dependents.

Where the relative is required to be a dependent, such status may not arise from a multiple support agreement. The dependent must receive over half of his support from you.

THE COST of maintaining a household would include such costs as rent, mortgage interest (not principal), taxes, insurance on the premises, upkeep and repair, utilities and food consumed in the home.

Document No. 5107, which furnishes more detailed information on this subject, may be obtained by dropping a postcard to the District Director, Internal Revenue Service, Detroit.

### SURVIVING SPOUSE

Under certain conditions, a surviving spouse may have the advantage of using the tax rates under Schedule II which are the same as those used by persons filing a joint return.

There are five requirements that must be met to qualify:

- The death of your spouse must have occurred in either of the two years preceding 1967; and
- You must have been entitled to file a joint return with your spouse in the year of death. It is not required that you actually did file jointly, but only that you were entitled to so file; and
- You have not remarried; and
- You have a child or stepchild who qualified as your dependent; and
- You furnish over half the cost of maintenance of your home which is the principal abode for your dependent child or stepchild.

WHEN CLAIMING the surviving spouse computation, you must use the Form 1040. You may not compute your tax as Head of Household as long as you are entitled to the benefits of Surviving Spouse.

A widow or widower may file a joint return in the year of death of the spouse. For the next two years, he or she may use the joint return rates as Surviving Spouse if the above conditions are met. However, the EXEMPTION for the deceased spouse may be claimed only for the year of death.

# Security Promotes Officer

LINCOLN PARK -- Ronald M. Bosrock, formerly assistant trust officer with the Security National Bank of Battle Creek, joined the Security Bank and Trust Company this week as trust officer.

A native of Battle Creek, he will supervise acquisition of new business for the trust department, Clarence R. Mead, president and chairman of the board, announced.

Bosrock was graduated from St. Philip High School, Battle Creek, in 1956. While a student, he was president of the sophomore and senior classes. Active in athletics, Bosrock was co-captain of the St. Philip football team that won the state class C championship.

He attended the University of Iowa on a football scholarship for two years, and transferred to the University of Detroit in 1958. In 1962, he entered the Detroit College of Law, and was graduated in 1966 with a juris doctor (law) degree.

Bosrock was a member of the Marine Corps Reserve from 1961 through 1966. He joined the Security Bank of Battle Creek in 1967, and in June was named assistant trust officer.

He and his wife, Mary Catherine, are the parents of a son, Matthew.

# 2 Area Students Make Dean's List

BELLEVILLE -- More than 1,100 students are included on the Dean's List for the fall semester at Western Michigan University.

Local students listed are Craig Wilson Davis, 6360 Denton road; and Judy Ann Thompson, 20680 Sherwood road.

To be included in the select group a student must have completed a 3.5 grade average (4.0 is all A's) while enrolled in at least 14 hours of class work.

# Bloodmobile Sets Dearborn Visit

DEARBORN -- A Red Cross bloodmobile will be in Dearborn on Thursday, Feb. 22, between the hours of 2:45 to 5:00 and 6:00 to 8:45 p.m.

It will be housed at the West Office, ARC, 2440 S. Telegraph at Oxford. For an appointment to give, telephone CR 4-5450.

**THIRTEENTH GRADE**  
All A's  
Kay Bailey, Darrell Hall, Alpha Harris, Lillian Phillips, Shelley Steinman and Patricia Wyke.  
All B's

# Announce Diabetics Class

ELOISE -- A new series of classes for diabetics and their families will begin Feb. 26, 7 p.m., at the Wayne County Health Center, Merriman road, just north of Michigan avenue. Instruction by professional staff covers topics which explain the condition of diabetes mellitus, its control and treatment and the relationship of diet.  
All diabetics regardless of age may attend with written approval from their physicians. Families of diabetics are also encouraged to participate in the class discussions. Children under 14 should be accompanied by a parent.  
The series consists of five two-hour classes on consecutive Monday evenings.  
Interested persons may register by telephoning the Wayne County Department of Health, PA 1-0200 or CR 4-2800, Extension 6901. Registrations are also being taken for the spring term of classes to begin April 15.

# THREE FROM ROMULUS Newly Reorganized K-12 District Board Appointed

The Wayne County Intermediate Board of Education approved the appointment of a five-member Board of Education for a newly-reorganized K-12 district that will be an official school district on July 1, 1968. Three of the board members are Romulus residents.  
The new school district comes into being as a result of an October 24, 1967 election in the following four school districts: School District No. 10 of Brownstown Township, Carson School District, Hand School District, and Maple Grove School District. The new school district will come into being on July 1, 1968.  
The Intermediate Board of Education, at a special Feb. 7, meeting appointed the following citizens to serve on the Board

of Education for the newly reorganized district:  
Edward M. Sedlock, 22181 West road, Woodhaven; Jeremiah Dyer, 23789 Bredow road; Charles R. Ash, Jr., 27283 Sibley road and Esther Parr, 27098 Sibley road, all of Romulus, and James Stewart, 24652 Joyce, Flat Rock.  
Each of the citizens appointed is presently serving on the respective Boards of Education that conducted the October reorganization election at the request of the State Reorganization Committee.  
Presently, the newly-appointed Board members are serving their school districts in the following executive capacity:  
Sedlock, president, Brownstown 10 Board of Education;

Dyer, president, Carson Board of Education; Ash, president, Hand Board of Education; Esther Parr, Secretary, Hand Board of Education; and Stewart, president, Maple Grove Board of Education.  
Act 289, a product of 1964 Michigan Legislative Session, provided for the study and development of plans for the reorganization of local school districts and for elections to secure K-12 education for all Michigan school children.  
To ensure future supplies of nickel, the world's leading producer of the metal, The International Nickel Company of Canada, Limited, spends more than \$11 million annually on world wide exploration for new mines.

# TO ALL THE PEOPLE OF THE ROMULUS- BELLEVILLE AREA..

Thank you for the tremendous acceptance you've given Vescio's!

Your response to Vescio's way of doing business has been so outstanding in fact that we've run into problems in providing you with the selection and service we want you to have in our store.

Right now, we are having a problem keeping our shelves well-stocked with the items you want. We are taking steps to overcome this situation by bringing in additional personnel and by improving delivery schedules.

We hope you will bear with us during this transitional period.

We promise to do our best to solve these problems as quickly as we can.

And we promise to do our best to make grocery shopping a pleasant and enjoyable experience for all the people of the area who shop at Vescio's.

A son, Edwin Jonathon, Feb. 5, to Mr. and Mrs. Robert L. Spencer, 9392 Woolman Oval, Ypsilanti, weight 7 lbs., 4-1/2 ozs.

A daughter, Feb. 9, to Mr. and Mrs. Emil E. Niece, 2033 Venoy, Westland, weight 6 lbs., 1-1/2 ozs.

A son, Feb. 9, to Mr. and Mrs. Fred Mills, 1618 Ward, Ypsilanti, weight 7 lbs., 11 ozs.

MISS HORTON

## Kay Horton Vies Today For Title

BELLEVILLE -- Miss Kay Horton, daughter of Mr. and Mrs. John Horton, 6207 Denton road, is one of the five finalists for the title of Miss Heartbeat of 1968.

The annual Heartbeat Ball at Cleary College, 2170 Washenaw, Ypsilanti, to be held today (Wednesday Feb. 14), in Ypsilanti, is the social highlight of the Cleary season. Music will be provided by the nationally famous Glenn Miller Orchestra.

Other contestants for the Miss Heartbeat crown are: Liana David, Detroit; Nancy Glancy, Onsted; Mary Rainey, Jackson; and Linda Weaver, Wayne.

Miss Horton is a first-year student at Cleary College.

MISS ARQUETTE

## June 8 Is Their Altar Date

The engagement of Jacqueline Arquette to Jerry Bitner is being announced by her parents, Mr. and Mrs. Russell Arquette, of 37552 Heroux, Romulus.

The bride-elect is a graduate of Romulus High School currently employed at Wayne County General Hospital.

Her fiancé, son of Mr. and Mrs. Albert Nie-man, of 13500 Wahrman road, Romulus, also graduated from Romulus High and is now with the H.H. Robertson Company.

A June 8 wedding is being planned.

## DULECKI-KELLER WED

## Newlyweds Making First Home In Washington State

A quartet of bridesmaids preceded Nancy Keller to the sanctuary of St. Stephen's Catholic Church January 5 as she approached with her father to become the bride of Thomas Dulecki.

Red and white poinsettias and lighted tapers graced the altar for the six-thirty o'clock ceremony. Fr. Alexander Wytrowski read the double ring nuptials which united the daughter of Mr. and Mrs. Wayne Keller, of 36906 Violet street, New Boston, and the son of Mr. and Mrs. Edward Dulecki, of 37020 Huron River drive, New Boston.

Carrying a cascade of gardenias, white Sweetheart roses and Stephanotis, Miss Keller appeared in a toe-touching creation of Chantilly lace with the ruffled bouffant skirt falling into a chapel train as she walked. Fashioned with a basque bodice sprinkled with iridescents and seed pearls, the gown featured a Sabrina neckline and traditional tapered sleeves.

A crown of nylon petals accented with pearls and centered with a tear drop pearl secured her elbow length veil of silk illusion.

## Sandra French Engaged, April Wedding Planned

Plans for an April 27 wedding are being made by Sandra Lee French and Kim Wahtera. Their engagement and nuptial date are announced by the bride-elect's parents, Mr. and Mrs. Randall K. French, of Sharon street, Romulus.

Miss French is a 1967 graduate of the University of Michigan School of Nursing currently employed at University Hospital, Ann Arbor.

The prospective bridegroom, son of Dr. and Mrs. K. A. Wahtera, of Marquette, will receive his degree in aeronautical engineering in April at the U. of M.

The First Methodist Church of Ann Arbor has been reserved for their spring wedding.

MISS FRENCH

## Detroit Edison Sponsoring Queen Of Kitchen Contest

Detroit Edison will begin accepting recipes this week for its 7th annual Queen of the Kitchen

contest for women who work. According to Marion E. Ryan, head of the company's electric living division, contest dates this year are February 15 through March 15 and finalists will be announced Thursday, March 21.

From entries received, 10 women will be chosen to take part in a cook-off on Thursday, March 28, with each finalist receiving an electrical appliance.

The grand prize is a deluxe range and the "Queen" will have her choice of top-of-the-line models of nationally-known manufacturers. A broiler-roastisserie, complete with shish-kebab attachment, will be awarded as second prize; and the third prize will be a ten-speed blender.

All finalists will be guests of the Edison Company at the gala Salute to Women Who Work banquet at Cobo Hall in Detroit March 26.

The contest is open to any girl or woman who is employed full-time and who lives within the boundaries of Edison's Southeastern Michigan service area. Each is invited to submit a recipe for a one-dish meal that can be cooked in an hour or less.

Professional home economists and cooks, and employees of Detroit Edison or members of their immediate families are not eligible.

Miss Ryan announced that the judges will be Kay Savage, of the Detroit Free Press; Cyrrilla Riley, Detroit News; and Edythe Fern Melrose, television's Lady of Charm; and said that contestants must be able to compete in the cook-off which will be held in Edison's Electric Living Kitchen in Detroit.

Entries must include name, address, telephone number and place of employment, and should be sent to Edison's Electric Living Division, 200 Second avenue, Detroit, Michigan 48226, before midnight, March 15. Local area Edison offices will also accept contest recipes.

As in the past, recipes and photographs of the ten finalists will be published in a handsome booklet for general distribution free of charge.

### Break It Up

Ground meat sometimes seems quite solid when you're mixing or browning it. Use a potato masher for breaking it up into smaller pieces.

VICTORIA DICKRELL, a life-long friend, came from Chicago to fill the role of honor attendant. She was dressed in a formal empire gown styled with an emerald green brocade bodice and train and Nile green crepe skirt. An emerald green veil was attached to a crown of nylon-covered petals studded with green beads to form her headdress and she held a crescent arrangement of green carnations with flocked cedar for background and green velvet streamers for accent.

Wearing red and pink ensembles identical to the honor maid's were Mrs. Jeanette Hill, of New Boston, sister of the bridegroom; Beryl Church, a school friend from Flat Rock; and Mrs. Iris Iott, another of the bridegroom's sisters from New Boston.

Five-year old Rhonda Dulecki, daughter of the Ralph Dulecki's of New Boston, was flowergirl at her uncle's wedding. Her outfit was a miniature of the senior attendants' and she carried a wicker basket filled with green carnations, flocked cedar, and green velvet ribbon.

The bride's nephew, Rock Bartley, eight, son of the Lyn Bartleys of Kalamazoo, carried out the duties of ring-bearer.

BEST MAN for his brother was Ralph Dulecki, of New Boston. The corps of ushers included Peter Dulecki, Tyrone Keller, and Gerald Dulecki, all of New Boston, and all brothers of the bride couple.

The Knights of Columbus Hall, in Southgate, was reserved for the reception which followed. The 450 guests were greeted by Mrs. Keller in a dress of white and gold brocade with matching accessories and the bridegroom's mother wearing burgundy velvet with silver shoes and handbag. Both added orchids to their ensembles.

The newlyweds honeymooned enroute to Fort Lewis, Washington where the bridegroom is stationed with the U. S. Army. Both young people graduated from Huron High School and prior to her marriage the bride was employed by the Ford Motor Company.

## Bassinet Bulletins

Mr. and Mrs. William Doane, of 554 Liberty street, Belleville, welcomed a new son, Scott Alan, Feb. 6 at Belvil Community Hospital. His weight was recorded at 7 lbs., 13-1/2 ozs.

Mr. and Mrs. Norman Bidwell, of Huron River drive, have a new son born February 11 at Garden City Hospital. He weighed in at 6 lbs., 5 ozs., and was titled Clayton Joseph Patrick Michael. The baby's grandparents are Mr. and Mrs. John Bidwell, of New Boston, and Mr. and Mrs. William Litogot, of Romulus. Mrs. Bidwell is the former Barbara Litogot.

Mr. and Mrs. Russell Mach, of Greenville, Michigan, are announcing the adoption of a five-month old son, Tony Russell, February 4. Mrs. Mach is the former Beverly Patterson, daughter of the Frank Pattersons, of Ecorse road.

## Fellowship Party Held

ROMULUS -- The Youth Fellowship Group of the Romulus Community Methodist Church gathered for a Valentine's party Sunday afternoon at the home of Mr. and Mrs. Bill Oakley, on Tobine road.

About 20 young folks attended and enjoyed a lively period of games, Ping Pong and dancing. Things came to a close with the serving of a delicious snack of hot dogs, chips, pop and the like. Festivities were in progress from 2:30 to 6:30 p.m. The Methodist Youth Fellowship members were accompanied by their leader, Mr. Dale Benton.

## BELLEVILLE BREVITIES

## Guests In Town From Spokane & Local Cities

By MRS. JOSEPH SPRING  
OX 9-4021

Mr. and Mrs. Henry Sager left last Wednesday, Feb. 7, for Cincinnati, Ohio, having been called there because their daughter, Mrs. James (Carol)

Jacobs, was expected to undergo surgery the latter part of the week.

Mrs. Emma Bowden returned to her home on E. Huron River drive Saturday, Feb. 3, after having spent two weeks with friends, Mr. and Mrs. George Malts, at Clearwater, Fla. While there she visited several places of interest and called on several Belleville residents at Largo.

Mrs. James Woodley (Mary) of Main street, is a patient at Annapolis Hospital, Wayne, having been taken there Saturday Feb. 3, for observation and treatment. Her room number is 527.

Mr. and Mrs. Frank Hoag, of Liberty street, were overnight guests last Wednesday of their son, Donald, his wife and family, at Jackson.

Mrs. John L. Barden, of Spokane, Washington, spent a couple of days this past week as a guest of her uncle and aunt, Mr. and Mrs. Orlo Roberts, of Church street.

Mrs. Andrew J. Krebs was a Sunday dinner guest of a friend, Mrs. Ivah Binder, of Ypsilanti.

A week-end guest at the home of Mr. and Mrs. Clayton Saunders was the latter's aunt, Mrs. Bernice Knop, of Wayne.

Mr. and Mrs. Perry Sanders and family, of Rawsonville road, were Sunday dinner guests of Mrs. Sanders' parents, Mr. and Mrs. Frank Hoag, of Liberty street. The occasion was in celebration of Mrs. Sanders' birthday.

## Clara B. Ford Garden Forum Is Scheduled

Advance reservations for the 1968 Clara B. Ford Forum at Greenfield Village April 24-26 are now being accepted.

The seventh annual Garden Forum will center on a number of well-known horticultural experts who will present illustrated talks on the world of gardening.

Information on registrations may be obtained by contacting the Department of Health, Henry Ford Museum, Dearborn, Michigan 48124.

AFTERNOON CEREMONY

# Student Chapel Setting For Palumbo-Baker Nuptial Rite

Double ring vows were exchanged January 27 by Diane Lucille Baker, of Belleville, and Dominic Palumbo, of Trenton. Holy Trinity Chapel on the campus of Eastern Michigan University was reserved for their one-thirty o'clock wedding at which Fr. Leo Broderick presided.

Parents of the young couple are Mr. and Mrs. Wallace E. Baker, of 46750 Michigan avenue, Belleville, and Mr. and Mrs. Francis Palumbo, of 2326 Gorno drive, Trenton.

HOLDING A BRIDAL arrangement of white roses and stephanotis, Miss Baker walked to the sanctuary with her father. Wearing a gown fashioned by her mother, she appeared in an A-line creation of bonded crepe distinguished by a high rounded neckline and long sleeves of Chantilly lace, scalloped at the

Baker, for her role as honor attendant. The only bridesmaid, Nanci Baker, was in an identical frock for her sister's wedding. Both carried colonial bouquets of white daisies, mums, and Baker's ivy and wore headpieces of eyelet and yellow ribbon accented with daisy trim.

THE BRIDEGROOM'S cousin, Charles Lambrix of Riverview, served as best man and Michael Crook, a neighbor and close friend of the bridegroom from Trenton, was usher.

Moorey's Grove, in Trenton, was the setting for the reception which followed. Some 200 guests were greeted by Mrs. Baker in a mint green A-line knit and corsage of pink roses. For her son's wedding Mrs. Palumbo chose a pink lace cage design with a corsage of white roses at the shoulder.

Following a brief Michigan honeymoon the newlyweds took up residence at 712 Washtenaw, Upsilanti.

An alumnus of Wayne Memorial High School, the new Mrs. Palumbo attended Eastern Michigan University for two years and is currently attending Washtenaw Community College part-time. She is employed in the Department of English Language and Literature at E.M.U. Her new husband, a student at Eastern, graduated from St. Jerome's School, in Kitchener, Ontario.

## Elda Bohl Entertains Past Matrons

The Past Matrons' Association of Belleville Chapter No. 73, O.E.S., met at the Robson road home of Elda Bohl Thursday, Feb. 8, for the usual 12:30 luncheon. Present were 16 members and one guest, the Worthy Matron, Joyce Maki. A short business meeting was conducted by the president, Ruby Clayton, with the devotions being in charge of Florence Sugars. The March hostess will be Beatrice Boldt. The remainder of the afternoon was spent socially.

MISS RODEFF

## Miss Rodeff Is Future Mrs. Wirts

The engagement of Karen Lynne Rodeff to Brian Edward Wirts is announced by Mr. and Mrs. Charles Rodeff of 125 W. Columbia avenue, Belleville, parents of the bride-elect.

Currently employed by Michigan Bell Telephone at Ann Arbor, Miss Rodeff is a 1967 graduate of Belleville High School as is her fiancé. Now serving on board the U.S.S. Howard W. Gilmore, the prospective bridegroom is the son of Mr. and Mrs. George Wirts, of 40060 Robbe road, Belleville.

No date has been set for the wedding.

## Lodge to Confer Degree on Three

BELLEVILLE -- The Master Mason Degree will be bestowed upon three Brothers, tomorrow (Thursday, Feb. 15) at Myrtle Lodge No. 89 F. & A.M., located at 515 Main Street, F. E. Donaldson, junior deacon, announced.

The Lodge will open at 4:30 p.m., and the Degree work will start at 5 p.m. The dinner at 6:30 p.m. will be in charge of Chapter No. 73 Order of Eastern Star. All reservations must be in by 1 p.m. on Feb. 15, Donaldson said.

### Fruit Meringue Delights

Fill drained, canned pear or peach halves with jelly, cranberry relish or mince meat, then cover with meringue made by beating one egg white until stiff with two tablespoons of sugar. Bake or broil until meringue is lightly browned. Use these as a garnish on the meat platter.

MR. AND MRS. RALPH LOGAN

## All Around The Town...

...WITH LEE

MID-WINTER 'BREAK'

THE CZAJKOWSKIS -- Louise and Irv -- decided to get away from the winter doldrums and enjoy a little sun and leisure in Florida. Away for 10 days, they arrived at their Edgemoor drive home last Monday afternoon after collecting four of their youngsters from the Art Martin home (Louise's brother-in-law and sister who took over in their absence) on nearby Edgar street.

With their eldest, Claudia, and baby, Carol, the Czajkowskis made the 3500 mile trip with Louise's mother, Mrs. Mary Harvey, accompanying them.

Their destination was Sarasota where they visited Irv's folks, the Frank Czajkowskis. Continuing on they stopped at Tarpon Springs to call on former Bellevillites, the Leonard Huges; took in the show and boat cruise at Weeki-Wachee; and headed for Bogalusa, Louisiana, to see Irv's brother-in-law and sister, Dr. and Mrs. Ray Starns, and their family. Part of their visit before heading homeward was spent in touring the French Quarter in New Orleans and enjoying lots of Creole cooking.

### BIRTHDAY TIME

WILLIE WILSON, JR., who is visiting here from Fairhope, Alabama, entertained at a surprise birthday party Sunday evening for his friend, Maudie Byars, who was 17 years old. The celebration took place at the home of Willie's cousins, Vernon and Thomas Johnson, of Karr road, with whom he was visiting.

### SPORTS ORIENTED

MOST OF the discussions in the Orville Suemnick household on Bell road, New Boston, we hear, center around athletic events. Orville, a Huron Township constable, has played and coached baseball for many years. His wife, Ethel, is a former star soft ball pitcher, and their four sons are all enthusiastic participants in Little League baseball as well as school athletics.

Mrs. S., who recently bowled a 235 game, is a bus driver for Huron Schools and a life-long resident of the area. The Suemnicks are members of St. John's Lutheran Church, in Waltz, where she teaches Sunday School and participates in the Christian Parents' Association and the Ladies Auxiliary.

### HERE 'N THERE

AT BENTLEY High School Saturday evening for the Nankin Players comedy presentation, "Never Too Late," were Gerry and Helen Miller, Tom and Betty Hopka, Manley and Gladys Baldwin, and Joe and Dorothy Wimberley. The Millers invited the group into their Stanley drive home for coffee after returning to Belleville. . . PRUDENTIAL INSURANCE'S Annual Awards Banquet found Al and Dena Clotte, of Lilac lane, at the "24 Karat Club," in Dearborn, recently. Al was asked to emcee the day-long activities for agents which culminated in the dinner-dance for couples at the Club. . . TWELVE COUPLES from the Adult Fellowship Club of the Belleville Methodist Church motored to Detroit February 3, to see "Camelot" at the United Artists Theater. . . GWEN LIEBELER played hostess at a lovely luncheon in her home on Ormond drive last week -- figuring full February an ideal time for a get-together of friends. Guests included her new neighbor, Carol Fogarty; Evelyn Smith, of Dearborn Heights; and Bellevillites, Marge Roberts, Louise Hope, and Lee Smith. . . SOME 10 relatives enjoyed an evening of cards followed by a buffet supper at the Haggerty road home of Ed and Mary Anne Hudge Saturday evening. Prompting the family gathering? -- A 'special' birthday for the man of the house.

### ELEVEN CANDLES

OUT AT the Ecorse road home of the Algird Mickus' on the third, a birthday party was in progress for their daughter, Debbie, who was 11 years old. Records and the hilarity of "Twister" were followed by a supper of ham and scalloped potatoes, jello salad, cake, and fudgicles. Then the 11 young ladies sat down to watch and giggle at home movies taken when the party girl was just one year old.

Guests for the afternoon were Elaine Banas, Christine Krystyniak, Margaret and Laura Hogan, Josephine Nehez, Cindy and Gail Clark, Laura Nowak, Nancy Smolen, Mary Cicotte, and the honoree's sister, Leslie.

### "OSCAR'S" THEIR BOY

OVER IN Huron at the New Boston Elementary School there's an extra 'member' of Mr. Robert Kelly's sixth grade science class. A quiet, but useful, addition to the class, "Oscar" is the life-size model of the human body which is used to illustrate the various systems which make up a human being.

Currently involved in a study of the human anatomy the class has listened to recordings of the human heart; used a stethoscope in classroom sessions; and are now studying the nervous systems and senses.

At least "Oscar" is immune to being ticklish.

HAPPY VALENTINE'S DAY TO ALL OUR READERS AND WE'RE SENDING A SPECIAL HELLO ALL THE WAY TO FINLAND THIS ISSUE. WE UNDERSTAND THAT ONE OF OUR SCANDINAVIAN EXCHANGE STUDENTS, TYTTI KANERVA, WHO WAS THE 'ADOPTED' DAUGHTER OF THE JOHN ROBERTS' LAST YEAR, RECEIVES THE ENTERPRISE-ROMAN IN FARAWAY HELSINKI. THOUGHT SHE'D LIKE TO KNOW WE MISS HER AND THINK OF HER QUITE OFTEN.

# Logan-Gott Vows Repeated At Candlelight Ceremony

In a candlelight ceremony at St. Stephen's Catholic Church, Joan Gott, of Romulus, became the bride of Ralph Logan, of Ypsilanti. Fr. Alexander J. Wyrwal presided at the six o'clock nuptial mass before an altar appointed with bouquets of carnations, mums, and glad-oli.

The double ring rite united the daughter of Mr. and Mrs. Stanley Gott, of 36710 Pennsylvania road, Romulus, and the son of Mr. and Mrs. William Logan, of 1062 Rambling road, Ypsilanti.

ESCORTED TO the sanctuary by her father, Miss Gott appeared in a bridal creation of silk bombazine and Chantilly

lace. Fashioned with a basque bodice featuring a Sabrina neckline and wristpoint sleeves, the bouffant skirted gown was made in toe-touching length. Back interest was created with a detachable train of silk and Chantilly which drifted to court length from the shoulders.

A lace-covered pillbox secured her mantilla veil which was cut in mid-back length and cascading carnations centered with a white poinsettia completed her ensemble.

A close friend, Susan Gdula, of Romulus, was asked to be maid of honor. Her formal gown was of rouge red velvet with a high-rise waist and molded bodice. Satin was used for accents in the stand-away collar and bow at the back. The white muffs she carried was topped with an arrangement of red poinsettias.

In matching costumes of moss green were the two bridesmaids, Patricia Bradley, of Belleville; and a cousin, Virginia Baczkowski, of Detroit.

DRESSED THE same as the honor attendant was six-year

old Deborah Komisar, daughter of the Frank Komisars, who was flowergirl. Five-year old Jeffrey Komisar, her brother, carried out the duties of ring-bearer.

Assisting the bridegroom were Charles Davis, of Ypsilanti, the best man; and ushers, Robert Logan, of Ypsilanti, a brother; and Thomas Shafer, of Livonia.

The reception which followed at the John F. Kennedy Hall, in Southgate, was attended by some 150 guests. Mrs. Gott greeted friends and relatives in a dress of blue pressed velvet and corsage of white carnations and baby roses. For her son's wedding, Mrs. Logan donned a three-piece green crepe suit and corsage of white carnations and yellow baby roses.

Now making their home at 1872 London, Lincoln Park, the new Mrs. Logan is employed at Fashion Wand Coutures. She is a Romulus High graduate of 1963 and a licensed beautician. Her husband, a 1961 graduate of Willow Run High, works as power plant operator for the Detroit Edison Company.

## Couple Re-Wed At St. Anthony's

Mr. and Mrs. James McCloskey, of 37037 Goddard road, Romulus, renewed their wedding vows in a special ceremony Sunday, February 4, at St. Anthony's Catholic Church. Fr. Richard C. Welsh read the two o'clock nuptial rite and blessing which re-united Mr. McCloskey, who was recently baptized as a Catholic, and the former Patricia Gorney, in the eyes of the Church.

Attending the young couple were Sandra Wilson and Edward Dunayczan, both of Belleville. A dinner party was given after the ceremony by Mrs. McCloskey's parents, Mr. and Mrs. Arthur Gorney, of 22033 Fenster avenue, Belleville.

MR. AND MRS. JAMES MCCLOSKEY

## Doug Brown To Speak On Photography At Study Club

The regular meeting of the Women's Study Club will be held tonight, Wednesday, Feb. 14, at the home of Mrs. Thurston Jahr, on Harmony lane. Assistant hostesses will be Mrs. Alton Amerman and Mrs. Mrs. Louis Marks.

Guest speaker for the evening will be Douglas Brown, assistant principal at Belleville High School. A former newspaper photographer with the U.S. Army during World War II, Mr. Brown was on President Truman's staff when he met with foreign leaders on foreign soil.

Besides relating a number of interesting experiences Mr. Brown will stress the "do's and don't's" of good photography.

DOUGLAS BROWN  
B.H.S. Assistant Principal

## Huge Picnic Enjoyed by Area Scouts

BELLEVILLE -- Cobo Hall in Detroit was the site last week of a yearly event held to give thanks to the adults of the Detroit Area Council for their help in presenting scouting to the boys in their community.

Enjoying the huge indoor-picnic from Scout Troop No. 231 of Belleville were the Ken Hardens, Larry Hartwicks, Tony Talagas, George Simons Elbert Rays, Norm Steads, Vincent Wegienkas, Lee Hallett, Bud Bullards, Les Woodys, Russ Sleeps and the Stan Claytons.

Highlights of the evening were songs by Don Taylor and entertainment by TV star Woody Woodbury. Refreshments for the troop representatives were planned by Mrs. Ray, Mrs. Simons and Mrs. Hartwick.

## Romulus Lodge of Degree Of Honor Holds Triple Occasion

ROMULUS -- The Romulus Lodge No. 132 of The Degree of Honor Protective Association marked a triple occasion, last Tuesday evening Feb. 6, Guest Night, Installation of Officers, and also the night for recognizing State Director Alena Williamson.

Mrs. Allison Koester and her dining room committee deserve a very big "thank you," for hall decorations. The event marked the 22nd installation of Romulus Lodge, and as usual it was one of the big highlights of the year. It started at 8 p.m. at the L. and L. Hall, Romulus.

Many members, friends and visitors from different lodges,

were on hand to witness the impressive affair. The hall, with the many baskets of cut flowers, the satin draped altar, the white covered chairs and the State Officers in their pastel colored formal, all added to the festive appearance.

THE STATE OFFICERS, were introduced, welcomed, and escorted to the right and left of the president's station. The Romulus Officers performed the incoming march. Following the recognition of the visiting presidents, counselors, visitors from the various lodges and guests, Mrs. Mary Harvey, from Detroit sang one of several sacred numbers.

The Romulus Officers conducted the opening ceremonies after which the gavel was turned over to the State Director, who with state officers, conducted the installation.

THE OFFICERS installed for the year were as follows: President, Rebecca Duncan; Past President, Dorothy Crook; Vice-President, Rosa Kittle; Second Vice-President, Marie Rehkop; Financial Secretary, Allison Koester; Recording Secretary, Olive Caswell.

Treasurer, Eva Oakley; Usher, Evelyn Arnold; Assistant Usher, Cecelia Renke; Inner Watch, Frances Dick; Outer Watch, Edna Duncan; Planist, Hazel Vaughn; American Color Bearer, Anna Lang; Degree of Honor Emblem Bearer, Charlotte Wood.

First Assistant to Vice-President Hulda Locke; Second Assistant, Frances Dick; Escort Staff, Margaret Genaw, Josephine Dombek, Ruth Harris and Jean Harris; Junior Director, Dorothy Crook; Assistant Junior Director, Gloria Chandler.

Rebecca was presented with gifts from the State, National, and Romulus Officers, also from the Romulus Organizer, Helen Dosmos, after which the soloist rendered a lovely number, "The Stranger of Gallilee."

The President then presented all her officers with a nice gift, and said that with a little co-operation, we hope to be able to accomplish a great deal this coming year. Marie Rehkop also presented Rebecca with a gift. Marie was the recipient of some nice gifts too.

Not to be overlooked was the State Director, who received a lovely gift from the Romulus Officers, who wanted to show their appreciation to her, for her untiring efforts on behalf of the Lodge.

The State Past President, then presented a gift to Allison Koester, Eva Oakley, and Olive Caswell, from Romulus Lodge.

## Belleville's Kepple Gets Airwork Post

BELLEVILLE -- John (Wal-ly) Kepple of 40098 Expressway, Belleville, has been assigned the post of Airwork Service Representative for the Mid-

JOHN KEPPLER

West it was announced by Thomas Dickson, Jr., Airwork vice president and general manager, Service Division, Millville, New Jersey.

Kepple will be based at the Detroit City Airport Airwork branch, replacing Max Beit-scher who has been reassigned to the home office in Millville.

Combining a working A & P (Aircraft and Power plant) license with a commercial multi-engine instrument rated Pilot's license, Kepple has been not only a mechanic but a professional pilot for many years on Aero Commander, Twin Beech, Douglas DC-3, B23, Fairchild F-27 and Lockheed Lodestar.

He is a 1946 graduate of Spartan School of Aeronautics, following a 30 month hitch in the U.S. Navy. He served in the South Pacific where he earned the DFC and the Air Medal during World War II.

FOLLOWING THE war Kepple was a Capitol Airlines line maintenance mechanic at Pittsburgh on Conquies, DC-3's and DC-4's. He is a member of Pittsburgh Hangar Quiet Birdmen, B.P.O.E. and American Legion. Kepple resides on a Belleville area farm with his wife, the former Gert Riden of

Pittsburgh, three young boys and a daughter.

Kepple will be working on field maintenance and service problems with fixed base and executive fleet operators and the airlines.

He will assist their maintenance personnel on aircraft piston or turbine engine mechanical problems of unusual nature, a technical service back-up function provided by Airwork for its customers for many years.

Airwork is a world wide engine and accessory overhaul firm with headquarters in Millville, New Jersey. They also distribute aircraft and electronic parts and supplies.

## Railroad Promotes Bartney

RAY BARTNEY

ROMULUS -- Ray Bartney, son of Mrs. and Mrs. Walter Bartney, of 38500 Tyler road, has been appointed general agent, freight sales, of the Grand Trunk Western Railroad with headquarters in Detroit.

Bartney, who graduated from Romulus High School (1944) and attended the American University, Washington, D. C., resides with his family at 4375 Grayton Detroit.

His GTW career began as a clerk in the freight department at Detroit in 1947. He succeeded Arthur G. Lees, who retired Jan. 1, after 47 years of service with the railroad.

## Medical Assistants Meet

ROMULUS -- The monthly meeting of the Garden-Ridge Medical Assistants was held Tuesday, Feb. 6, in the dining room of the Garden City Hospital.

Guest speaker for the evening was Dr. E. Minick of Inkster. Dr. Minick spoke on the topic, "Breast Self-Examination" and showed a film and brought pamphlets illustrating the dif-

ferent techniques suggested to detect possible cancer signs.

The group's next meeting will be held at Garden City Hospital on March 5, at 8 p.m., in the employees' dining room. Dr. Tutterice will be the guest speaker.

For those not familiar with their group, the Medical Assistants review their activities thus far. The fiscal year began in September with a business meeting planning the year's activities. The October meeting featured Jack Kahal and Tom Hopson, both of Romulus, and representatives of the Equitable Life Insurance Company. In November, Dr. Jack Meeker spoke to the group on pre and post-surgical care and showed a film which detailed the new lighting technique in microscopic X-ray filming. In December the group held its Christmas Party at "Howard's Townhouse" in Wayne, Michigan.

The G.R.M.A. cordially invites any medical or dental assistant to join their group or attend the meetings. The group tries to offer an educational and social opportunity for any medical assistant who may be interested. If anyone desires further information, please feel free to call the following local number - 941-3922.

## Tri-Parish Banquet is 'A Success'

ROMULUS -- A Tri-Parish Father and Son Banquet, held at St. Aloysius Catholic Church here last Sunday evening (Feb. 11), was a "huge success," Alfred J. Perry, program chairman, announced.

The affair was sponsored by the church's Holy Name Society. Some 200 fathers and their sons from St. Aloysius and St. Stephen's Catholic Church, New Boston; and St. Anthony's Catholic Church, Belleville, attended the event.

Chief speaker of the evening was Wayne County Prosecutor William L. Cahalan. He spoke on crime, LSD, drugs and narcotics.

Entertainment included presentation of movies donated by Stroh's Brewing Company and an act by a Wyandotte magician. Prizes, donated by Romulus Hardware, were raffled off and presented to winning youngsters.

State Representative Edward E. Mahalak (D) of the 38th District gave a short talk on legislative matters and programs. The banquet began at 5 p.m. and concluded at 8:30 p.m.

"DANGEROUS CURVE"—The above scene is located at Huron River Drive and High Street. Recently a driver of a car containing four youths attempted to make this curve. He lost control of the car and hit a tree injuring himself and his passengers. Belleville police warned motorists to be on the alert and drive with caution and prudence when in the area, especially in inclement weather.

# School Bus Inspections Resumed

LANSING -- After discontinuing the assignment for several years, Michigan State Police this year resumed inspection of Michigan school buses, Superintendent of Public Instruction Ira Polley announced. Inspections started Feb. 5 and runs through March 1.

State Police will handle the job of inspecting brakes, horns, lights, steering and various other aspects of the approximately 8,500 Michigan public school buses which transport some 700,000 children about 72 million miles a year.

State Police previously inspected the buses of the largest public transportation system in the state but seven years ago discontinued the job because of shortage of manpower.

However, State Police Director Frederick Davids has now ordered resumption of the inspection and school administrators will be contacted by State Police to arrange inspection schedules, Polley said.

# Emergency Number Tags

Free at any WSB office

Looking up emergency telephone numbers is one thing you shouldn't have to do in an emergency.

So this month, Wyandotte Savings Bank is giving away free emergency phone number tags. Simply apply them to your phones, write in the pertinent numbers for your area and they'll always be handy if you need them.

You don't need an account with us to get them, either. Stop at any of our nine offices and the emergency number tags are yours for the asking.

They're just an extra service from the people who've brought you the best in banking for almost a century.

WSB checking account customers will automatically receive emergency tags in their next statement.

# Player Trophy Announced

NEW BOSTON -- The basketball squad and coaches of Huron Junior High School will be selecting the Most Valuable Player at the close of the basketball season this year.

Ralph Dugan has donated a trophy to be awarded to the recipient of this honor. He will present the trophy to the boy selected by his teammates as the outstanding player.

Each year the boy winning the award will have his name engraved on the trophy, known as the "Bud Dugan Basketball Award."

Dugan is owner of A. Dugan and Son Lumber Company, New Boston. He has been a generous supporter of the schools' athletic programs for many years.

He also had 1967-68 basketball schedules for the Varsity and Junior Varsity teams printed for distribution to the Huron Chiefs' fans.

A.J. Vaughn is the sixth player in Wayne State University history to be drafted into professional football.

BELLEVILLE, MICHIGAN

"WE ARE HERE TO PLEASE"--is the salutation of the management of Romulus' newest supermarket--Vescio Supermarket--left to right are Assistant Manager Dick Descho and Richard J. Sutton, Manager. Acquisition of Midwest Supermarket at 36521 Goddard Road Jan. 27 by Vescio marks the eighth expansion into a new market in just over two years.

## Vescio Supermarket Opens in Romulus

ROMULUS -- "We're sure that after you've shopped our store once, you'll agree that 'Nobody Packs More in a Bag For Less.'"

The above motto is the earnest aim of management of a new and large supermarket that opened in Romulus Township, Feb. 1.

Owned and operated by Vescio Supermarkets, headquartered at 2831 Bay road, Saginaw, Vescio's new store is located at 36521 Goddard road. The firm acquired Mid-

west Supermarket that formerly occupied the site.

VESCIO ACQUIRED Midwest on Jan. 27, and its management has been working hard since bringing a complete and varied line of merchandise and installing a new sales program at the new store.

Its shelves are well-stocked with every household need and table necessities, along with meats and produce. Nicholas Vescio, president of the company, announced.

28TH IN CHAIN

The Romulus store is Vescio's 28th store in Michigan and marks the eighth expansion into a new market in just over two years. It gives Vescio representation in 12 Michigan counties, more than any other Michigan based supermarket organization, Vescio said.

Manager of Vescio in Romulus is Richard J. Sutton, and Assistant Manager is Dick

Descho. They are assisted by 17 employees.

Edmund Blzek, Romulus supervisor, in welcoming the new supermarket said:

"We are extending you a most cordial welcome to Romulus. This community has long been in need of a real supermarket. A great many residents have been flocking to Wayne and Westland to do their shopping to take advantage of the lower

prices. Perhaps they will now start shopping at home once they realize the advantages of shopping at Vescio's.

In our opinion you have made a wise choice in selecting Romulus as your site to establish a business. With the anticipated growth and buying potential forecast for our municipality there is no doubt but you should have great success in your enterprise."

## Area Shop Distributes Needy Items

ROMULUS -- Approximately 3,000 articles of clothing, furniture, household goods and toys were distributed to needy families by The Helping Hand Thrift Shop during a period from September, 1967 to January of this year, without charge, Mrs. Florence Klein, director reported.

The items distributed by the Thrift Shop are donated by area residents and volunteers. Anyone in need of clothing should contact the school in their area for a clothes order slip, Mrs. Klein said.

At present time the shop has on its shelves dresses, shirts, blouses, coats and shoes for women and girls. Also suits, shirts, pants and coats for men and boys, she reported.

The shop is opened only one day a week, Wednesdays, 9 a.m. to 3 p.m.

INTERIOR VIEW of the many well-stocked aisles in Romulus' newest store--Vescio Supermarket---The store opened Feb. 2 after Vescio's officials acquired Midwest Supermarket. The store employs a staff of 17 employees equipped with the latest in market facilities, merchandise and services.

# Ford Aerosports Readies Annual Movie Night

ONE OF THE MOST active aero clubs in the nation has come up with another outstanding program for its members and guests. The Ford Aerospace Club will stage its annual movie night in the auditorium of the Ford Central Office building on the 28th of February.

The old time movie classic titled, "Dawn Patrol", was one of the first real authentic aviation motion pictures of aircraft in World War I. This is the original version and not to be confused with a film by the same name many years later starring Errol Flynn.

The first movie starred Richard Barthelmess and also was one of the first films to star Cary Grant. Still in original form, the film shows many of the authentic airplanes of WW-I. They were still plentiful then. Today, they are virtually non-existent except for a few in museums and re-built versions by clubs.

The treat of seeing these original aircraft perform in their heyday is supplemented with the fact that the film contains extensive footage of actual combat films taken during the first great war. This type of aviation film has all but vanished years ago with the advent of WW-II and other conflict coverages around the world.

Dick Hagelthorn, Secretary of the Ford Aerosports Club, stated that this special film night has now become an annual

event for the club. A small service fee is charged so that seating this year can be controlled. Last year, Hagelthorn said, the show was a complete sell-out with standing room only and many had to be turned away.

Added attraction on the program will be a demonstration of a "Mystic" radio controlled model airplane by member Bill Bertrand. This tiny aircraft today holds the world's endurance record for model airplanes. The program is scheduled to get under way at 7:30 p.m. sharp.

The Ford club now enjoys a membership of over 100 members of which the majority reside in Western Wayne County. It is

without doubt one of the most aggressive and active clubs of its kind to be found in any aviation circle in the country.

Kicking off last year the film "Men With Wings" was shown to an overflow audience. In May they co-ordinated with the regional convention of the American Aviation Historical Society at Greenfield Village and hosted over 450 aviation buffs from all over the world. The highlight of this event was the presence of the greatest air race pilot of all times, Colonel Roscoe Turner.

Whatever the time of year, it seems that the live-wire staff of this aviation club has some interesting event in the works for its membership. It is no wonder that the club enjoys a good

turn-out attendance at all functions and members are looking forward to even a more eventful year in 1968.

The club also sponsored a special activities during Michigan Week at the Charles A. Linbergh School under the direction of William Sarkes and presented a fine detailed model of the famed lone eagles airplane, the "Spirit of St. Louis," made by Dick Halasz, to the school.

Late summer saw the club and guests actually take to the air. With the co-operation of North Central Airline's Tim Grote, an airlift-shuttle was setup and over 500 people, most of whom were "first fliers," were flown on "scenic flights" over Western Wayne County and the Detroit area.

WORLD WAR I "HAWK" will be one of the original authentic aircraft seen in the aviation motion picture classic "Dawn Patrol." The first version of the film starred Richard Barthelmess and Cary Grant. It will be seen by members and guests of the Ford Aerosports Club at their annual old movie night.

## Romulus Jaycees Plan "Sound of Youth, USA"

ROMULUS -- "Sound of Youth, USA," an amateur musical audition in which winners compete in Flint, Mich., for national finals, recording contracts, TV contracts and cash, will be sponsored locally by Romulus Jaycees, it was announced this week.

Robert Champagne (941-3678) will be chairman of the project locally and entry blanks will be available soon from him and in various other locations.

The award program is limited to young people over 16 years of age who will not have attained age 20 by June 30, 1968. Contestants must be amateurs, must not be performing in another "Sound of Youth" contest, and must not be members of any musical union.

There are three prize categories. The first two are Male Vocalist and Female Vocalist in which the contestant provides his own accompaniment on instrument or record. Third category is for groups in which two to five members will compete in an instrumental-vocal program of about five minutes.

Entrants in the Romulus Jaycee project will hold auditions on Monday, March 25, in Romulus Junior High school gym from 6 to 10 p.m. There will be a \$1 entrance fee for each category entered.

Further information may be obtained from Champagne.

# Pilot Piermont Came to Earth to Get Business Off Ground

**Belleville Plating  
President, Now 57,  
Enjoyed Both Roles**

By ROBERT McCLELLAN  
ANP Business Editor

TO BECOME A SUCCESSFUL businessman usually takes a man who's a pretty good salesman, a hard worker and an adequate financier. To become successful in business at the age of 51 usually takes a guy who's got quite an imagination, too.

One who qualifies is S. Carey (Casey) Pierman, of 117 East Huron River Drive, Belleville.

Pierman, now 57, is president of the successful Belleville Plating Co., 40731 Edison Lake Road, Van Buren Township.

Before that he was a top pilot for Capitol Airlines for 26 years.

Pierman was having coffee in a Belleville restaurant one morning when a truck owned by the Draw-Tite Co., a manufacturer of trailer hitches located at 14857 Martinsville Road, Van Buren Township, pulled up outside.

Recalls Pierman, "I got in my car and followed that truck to a plating shop in Ypsilanti, and it occurred to me that it would be cheaper for Draw-Tite if the firm didn't have to make two or three trips a day to Ypsilanti to get their trailer hitches plated."

Pierman approached a friend, William Whichello, founder and then president of Draw-Tite, and made his pitch. Whichello bought the idea, giving Pierman the contract to plate all trailer hitches made by Draw-Tite.

Pierman's imagination and salesmanship had carried the day. For, at the time, he had no land, no buildings, no employees and virtually no knowledge of the plating business.

"I guess I'm an explorer, an adventurer," says Pierman. "But having that contract proved invaluable in learning and entering the plating field."

This was in 1957 and he was still flying for Capitol. But, in his spare time, Pierman got right down to work.

It took several months to find a piece of property that could supply the large amount of water required by a plating process, but Pierman finally managed to buy a 3.5-acre site near the Edison Lake Dam on the Huron River.

"Meanwhile," relates Pierman, "I really burned the midnight oil trying to learn something about plating."

But learn it he did. Helen, whom Pierman describes as his "right-hand lieutenant," finally managed to locate and buy a book on plating -- a highly technical and complicated field -- that Pierman could understand.

Plating businesses tend to be secretive about the processes they employ, but Pierman persuaded several area platers to let him tour their facilities and study their methods.

He now had the land and knowledge, but needed a partner to help him put up the buildings he had in mind.

That old friend, William Whichello, came to his aid again and referred Pierman to his brother, Harlan Whichello, who is now president of Draw-Tite. Harlan became Pierman's partner.

With the buildings completed, Belleville Plating Co. started in full production in 1958. And as Draw-Tite has grown, so has Pierman's firm.

But being a spare-time president of a bustling, growing concern is a difficult chore.

"I love flying," declares Pierman. "It's a real challenge, but if you want to be a good pilot, you can't cheat your flying."

So, in 1961, he retired from the airlines and devoted himself full-time to the plating company.

According to Pierman, plating is more profitable than flying, and running a business is just as much a challenge.

The company employs 21 full-time employees, plus an additional four or five college students in the summer. And Pierman devotes between 65-70 hours a week to the firm.

BELLEVILLE'S S. CAREY PIERMAN  
As Airlines Pilot...And Company President

Pierman learned to fly while he was going to high school in Ottawa, Ohio.

"I was 17 years old then," he recalls. "I soloed on Friday, flew the plane home on Saturday and hauled my first paid passengers on Sunday."

That was in 1928. It was about the same time that Pierman married his high school sweetheart, Helen. Her birthplace was Columbus Grove, Ohio, a neighboring farm community to Ottawa.

Pierman's flying interfered with his high school studies, so he quit before completing his senior year.

When winter weather prevented him from flying, Pierman worked in sugar mills 12 hours a day for 25 cents an hour.

"I spent the next seven years barnstorming and working in aerial circuses in the Midwest," relates Pierman. "In those days that was about the only way you could get your flying experience."

He then hooked up with Capitol Airlines, and became chief pilot of the company's western division before he took an early retirement in 1961.

But long before he gave up flying, Pierman's imaginative, adventuresome flair prompted him to invest in a variety of business ventures as a hobby and, in some cases, a profitable sideline.

For example, he became contractor for the drilling of some wildcat oil wells in Ohio, a couple of which turned out to be a fair investment.

He also marketed and distributed nationally five different archery items for several years.

Pierman's lively business imagination came into full play while he was conceiving the idea that eventually blossomed into the Belleville Plating Co.

His recreation today includes much boating and some water-skiing. He has a 16-foot, 100-horsepower engine boat docked on Belleville Lake.

And, there's his family. He and Helen have two daughters, Carrietta, a 21-year-old senior studying sociology at Eastern Michigan University, and Faith, a 17-year-old senior at Belleville High School.

Does he still fly? "Not much," says Pierman. "Once in a while when I'm down to the plant on a moonlit night, I'll see an airliner going over and I'll think: 'Wouldn't it be great to fly into Atlanta or New York tonight.'"

Pierman is simply a former flyer who is still managing "to slip the surly bonds of earth."

# it's 'Official' in Associated Newspapers

No matter where you live in Western Wayne County, one of the FIVE Associated Newspapers is the official legal publication of your community!

## WHAT DOES THIS DESIGNATION MEAN?

### TO YOU

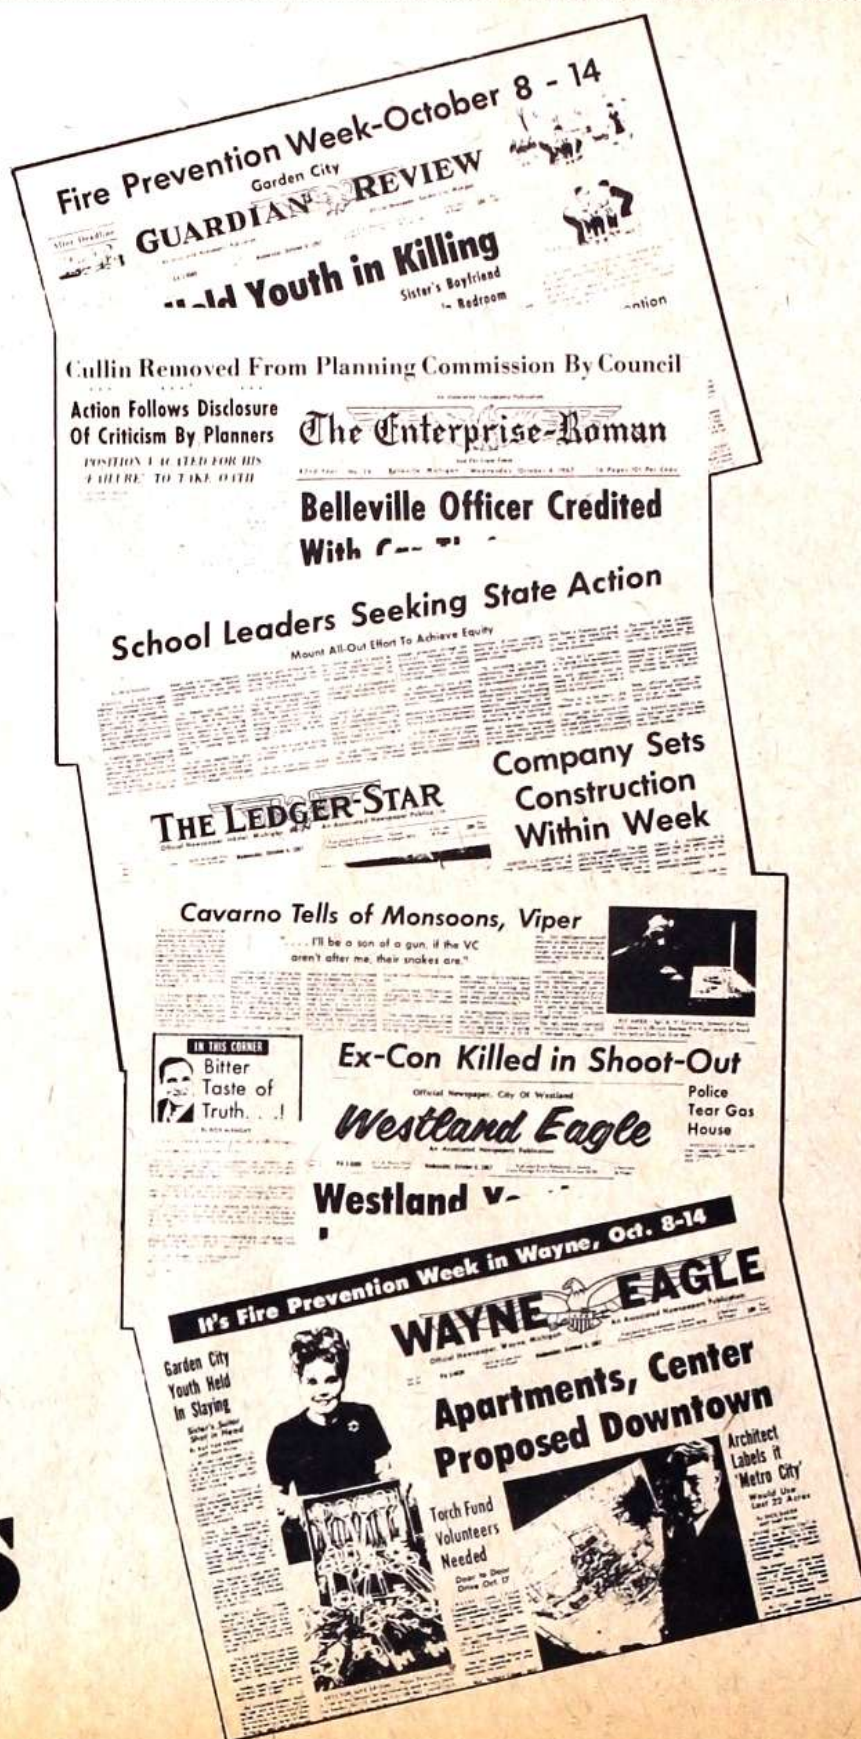

It means that ONLY in an Associated Newspaper can you find the official actions of the various governmental bodies in your community. Western Wayne County is, on the move. . . it's a vigorous, progressive area. New zoning ordinances are being approved . . . planning commissions are making decisions that may affect you and your property . . . your city council or township board may pass special assessments. . . changes are being considered in tax procedures. . . election details are vital. It is important you know of these varied actions--many of them affect you and your neighbors. And remember--ONLY in an Associated Newspaper can you read the "Official Proceedings!"

### TO US

This means the governmental unit responsible for selecting an official publication in each community has demonstrated deep respect for the Associated Newspapers by awarding them this designation. This has been true not just this year but for many years in most of Western Wayne County areas. We are genuinely appreciative for this expression of confidence!

Call Associated Today PARKway 1-4424

Ask for the Circulation Department, and make sure you get the Associated Newspaper that officially serves your community!

# She's 'Pvt. Eldridge Now!'

## And She's Surprised at What They Do for You-Or Make You Do for Yourself

SIX YEARS BEFORE 18-year old Jone Eldridge was born, the U.S. Marine Corps marked inception of a Women's Marines division for the no-nonsense pragmatic purpose of "freeing a man to fight!"

This week the Women Marines are marking their 25th anniversary as a successful organization and Pvt. Jone Eldridge is back in Western Wayne marking a 20-day leave which comes with successful completion of seven weeks of boot camp.

Miss Eldridge took a three year enlistment into the Women Marines through local recruiter S-Sgt. Norman Wypchka although she had the option of either a two or four year hitch. She chose the three year stint because it offered her more chance for college than any shorter period.

"The Women Marines offer a very good career training, but they don't give you a college education," she says. "They offer you the time and the assistance to do it yourself, but you must do it yourself." And, she adds: "They also teach you to get things done for yourself!"

Jone doesn't think having been a Woman Marine for two months makes her an expert on the subject. But it has "firmed her up" in several ways, including her thinking:

"If the Marines build men, then the Women Marines build women. Of that, I'm certain," she says. "From the day I reported I have never ceased to be impressed with what the service is doing for me and making me do for myself, particularly in comparison of what I or most of the young girls I know could have done for ourselves."

"The basic training is hard, very hard. It is the most difficult thing I have ever done. And it is the thing I now have done of which I

am the most proud. People ask me if I like the Marines and if I would recommend to other girls that they go into it. I say they should go in if they want to and can qualify, but I would not want it on my conscience I told anybody to get in unless I thought they had a very good understanding of what basic training is.

"I am not knocking basic training. It was wonderful now that it's over. I'm sure the men in service feel the same way about it. But it's the hardest work any girl has ever done. And some can't make it. I wasn't sure I could. Maybe that's why I'm so proud I did."

Does she recommend military service as a career for women?

"I can't really recommend anything as a career for women, or that they even have a career. I expect to be a housewife myself some day. But I do feel very strongly that the young girl owes her country and her birthright an obligation just as much as a young man does. That's why I went in. I believe in universal military training, but I don't think anybody else would have to in order to enter service. I think it offers enough on its own."

"I came out of Wayne St. Mary high school and worked for a year and a half at the Wayne Federal Community Credit Union. During that time I wondered about my future just as any young girl wonders. Should I just stay with the job I had and hope to advance? Should I go to college for an education? Should I go into a business school? How could I get the things I felt I needed to be an independent woman and still make a living? I wondered...and I know the other girls are wondering, too."

"Well, let me say that the Women Marines have answered my questions. They hit me with discipline and a diet the day I arrived. They give calisthenics, but they are all special exercises designed to make a firmer, better figure. They feed you well, but until your weight is where it ought to be, you eat from a special diet. I've already lost seven pounds and I eat like a horse."

"They teach posture and poise and make-up in a manner that I personally know is as good or better than a girl can get in a charm school or modeling school. They teach you efficient business operation and they offer you adventure, travel and a chance to see things and meet people that a young girl just can't afford."

"And, perhaps most important of all, in the military I find there's no question of slothfulness or back-sliding. Don't make any mistake that those things will be done. They will. And if you can make it, and many can't, the confidence that just goes with completion of the test makes a new person out of you. I feel it in myself now and I've only been there two months. I've seen it in the others. It's there, make no mistakes about it!"

Before taking her oath of entrance into the service, Jone Eldridge selected the length of enlistment she would serve, she picked the field in which she would receive her special training, and she picked the general territory in which she will be permanently assigned after completion of training.

Her "day" in basic training started at 5 a.m. each morning and ended at 9:30 p.m. although, she laughs, sometimes she is sure there were days that simply did not end. She currently earns about \$110 a month plus an allowance

to keep up her uniform--and she doesn't even know how much that is. But she does understand that if she's good in her work, and she pledges she will be, she should become a Private First Class in "about four months"--and with

'Next to basic, the hardest thing I ever had to do was qualify to join..!'

the promotion comes "some sort of raise in pay." They must buy some things, but most of what they make, they keep.

The Women Marines, Jone notes, don't have any married members. "At least there aren't any among the people I've met and I understand that if anybody gets married, they also get out," she says.

"There is absolutely no social life during basic, but after basic I understand we maintain what amounts to a regular business day and can do just about what we like after hours. The men are allowed in our section during daylight hours, but are restricted off starting about dark."

Are the women's service branches a place for a reputable young girl to be?

"Let me say that before I enlisted I had heard things...you know, stories about service women...the kind of whispered gossip that even goes on about priests and nuns. Well, I can't answer for certain, of course, but from what I've seen so far I can't imagine how such a rumor could get started if it were true...and it isn't from what I've seen. But let me say that outside of basic, the hardest thing I've ever had to do was simply to get into service."

"I know the qualifications for just getting in are so hard to meet...and the life you lead in service is so opposite to things that would give a girl or the service a tarnished reputation...I just don't know how it could be true. I don't think it would be any harder or any easier for an individual girl to get a bad name for herself in service than any place

PVT. JONE ELDRIDGE...LADY MARINE

else, but I really can't imagine how it could be justified. I just don't believe that junk at all...even if I was as curious as anyone else going in."

"What happens after that will probably be decided then, or maybe a bit earlier," says Jone. "I have some ideas but I don't think age 21 is too young or too old to choose between them."

She's probably right. After all, the Women Marines are doing pretty good for themselves. And they're only 25!

'I think every young woman owes her country and birthright something!'

# Rep. Ford Urges Support of President's 'War on Crime'

## Speaks Out To Congress For 'Victory'

WASHINGTON, D.C. - Congressman William D. Ford (Democrat-15th District) has given full support to proposals made this week by President Johnson for an all-out war on crime.

The President, in a special message to Congress on Wednesday, called for a 22-point program to "meet the challenge of crime to our society."

In a speech on the House floor Thursday, Congressman Ford declared that the war on crime is "a war in which we can be satisfied with nothing less than victory."

"The stakes in this battle are high," Congressman Ford said. "The injured and dead, the loss and destruction of valuable property, the unsafe streets and insecure shops mark a national tragedy."

In his Crime Message President Johnson proposed the following plan of action:

**FOR OUR GOVERNORS AND MAYORS:**

1. The Governors of our States and the Mayors of our Cities should examine their local situations - to make certain that they have the necessary laws in effect, that they are committing sufficient resources to their entire systems of criminal justice, and that they have efficient, well-trained and fully supported police departments and law enforcement agencies.

**FOR THE CONGRESS AND THE EXECUTIVE BRANCH OF THE FEDERAL GOVERNMENT:**

2. Prompt passage of the Safe Streets and Crime Control Act which the President proposed last year.

3. A major Federal assistance program to provide educational opportunities and more training for the Nation's law enforcement personnel.

4. Appropriation of \$100 million for the Safe Streets Act in fiscal 1969, double the amount the President proposed last year.

5. Passage of the Juvenile Delinquency Prevention Act.

6. Enactment of an Alcoholism Rehabilitation Act, to help provide more effective treatment - rather than simple detention - of alcoholics.

7. Coordination of the Federal anti-crime effort under the Attorney General.

8. Establishment of a strong and unified United States Corrections Service within the Department of Justice.

9. In the fight against drug abuse,

--Legislation to make the illegal manufacture, sale and distribution of LSD and other dangerous drugs a felony, and possession a misdemeanor.

--A more than 30 percent increase in the number of agents enforcing our narcotics and dangerous drug laws.

--That the National Commission on Reform of Federal Criminal Laws undertake immediately a full-scale review of these laws.

--A step-up in our research, education, manpower training and rehabilitation efforts.

--Transfer to the Department of Justice the functions of the Bureau of Narcotics from the Treasury, and the Bureau of Drug Abuse Control from the Department of Health, Education, and Welfare.

10. A felony law aimed at those who cross state lines to incite and take part in riots.

11. In the fight against organized crime, top priority for the Justice Department's Strike Forces in places beset by racketeering.

12. New laws to enhance the Federal attack on big-time gambling.

13. Immunity legislation to compel the giving of testimony concerning activities linked with organized crime.

14. Legislation to permit the Government to appeal a pretrial court order granting a motion to suppress evidence.

15. Passage of effective gun control legislation.

16. Funds for 100 additional Assistant U. S. Attorneys in offices throughout the country, 100 additional FBI agents, and an increase in the number of lawyers in the Criminal Division of the Justice Department.

17. A program to develop better law enforcement communications.

18. An intensified effort to develop more modern weapons and equipment for police.

19. A Bank Protection Act.

20. An Auto Theft Prevention Act.

21. That a model crime prevention program be required in each Model Cities plan.

22. A Right of Privacy Act.

# Record Field Set for WW Swim Challenge

A record field of high school swimmers, representing the best of nine area schools, have accepted the challenge of the Fifth Annual Western Wayne Swim Invitational, to be held this year on Feb. 24, Saturday, at Garden City West High School.

The meet, one of the biggest of its kind organized in this area, is sponsored by the Associated Newspapers.

This year, teams representing Cherry Hill and Inkster have also been included in the line up. Garden City East, which was unable to participate last year, and John Glenn, which did not compete in the previous

meet because of prior commitments, also will be on hand to challenge the returning five schools.

Livonia Franklin, last year's champ and a strong contender for this year's title as well as Belleville, Wayne Memorial, Robichaud and the host, West,

will again return to swim for the coveted ANP trophy.

But no one team is expected to dominate this year's meet. "It'll be a close one all the way," said West swim coach, George Hanosh. "There are plenty of good swimmers this season and, although most of us have met in dual meet competi-

tion, we still don't know who will use what swimmer where.

"Strategy is going to play a much greater role in this year's meet than ever," he added.

The nine teams will launch the activities with the preliminaries at 1 p.m. The finals are scheduled for 7 p.m. The winning team and coach will be

awarded with trophies while those who finish in the top six brackets in each of the nine individual events will be presented with ribbons.

A standing room gallery watched last year as coach Dave Tavidian and Franklin strolled off with the trophies.

This year seating room will be a problem.

"With nine high schools and their fans on hand, plus the many parents who'll want to watch the meet, it is evident that we are not going to be able to accommodate everyone," said West athletic director and meet manager, Bill Pinnell.

"Therefore, we are going to have to enforce a first come, first serve policy," Pinnell said.

There'll be a 25 cent ticket charge for students and 50 cents for adults for the preliminaries while the tickets for the finals will be hiked to 50 cents for students and \$1 for adults.

## THE SPORTS MERIDIAN

By Tom Mooradian

### Open Letter to Charles Forsythe, State Director of High School Athletics

Dear Charlie:

This nosy sports columnist has become nosier ever since those darn dailies became yearlies in these parts and I haven't had an opportunity to answer my mail. Sure, I'll be happy to have that cup of coffee with you.

You know, Charlie, I think it's about time for some reforms in high school basketball. If you and the boys up there don't start moving, I'm afraid some of the coaches around here will ask for a Magna Carta.

We do need some changes, honestly. And that's not all we need. How about better officiating on the high school level? You know we "ain't" playing the game Dr. Naismith did - the game's faster, the boys are bigger, and the action is hotter.

To me, and to some of the coaches, it looks as if you're handing out those striped shirts and whistles to anyone who has the five bucks for registration.

You know we've been teaching our kids to respect authority and these guys with the whistles are THE AUTHORITY on the court, and some of them, not all of them, sure know how to abuse it.

There are other irritating things, too.

Like how come you can change rules without asking the majority of coaches about it? I thought we were democrats? And why should that state basketball tournament always end up in East Lansing? Haven't you guys heard that the University of Michigan has a new basketball court - or what about Cobo Hall?

Now don't give me that ancient excuse, it's too far away for the boys in the Upper Peninsula to travel. Seventy miles more - that's about all.

Yeah, while we're at it, where do all of those tourney tickets go?

Sure, I know that most of them are allotted to the schools, but what about the public - you know, guys who love basketball want to get to see the finals, but are balding, chubby in the waist, and can't pose as a student anymore than you or I can.

How about giving us an even break and putting some of those tourney tickets up for sale to the public?

And woe to the guys who, like myself, work only once a week for a living bashing out sports for a weekly newspaper. Do you realize it's easier for me to get into the press box at DRC or Windsor Raceway or the Lions games - but it's almost impossible for us to find a spot to write the final games up for our public?

Some arrangements must be made for the press representing the weekly newspapers.

Who the heck do you think carries the bulk of the coverage for high school sports, anyway?

The metropolitan newspapers?

Humbly!

We guys on the weekly newspapers don't write off a prep game with one paragraph - anyway not this guy - and call it a day. If we did, we'd be hung in effigy, torn to shreds by the fans, and humiliated with those "Letters to the Editor".

The other day I was talking to one of our area basketball coaches, Al Duva, out at Romulus and he said, "No matter what changes they'd make, I'll play the game."

"I love basketball," said Duva. "And I enjoy every minute of it - win or lose."

Well, Charlie, we love it too. That's why we're concerned with the officiating, with some of the rule-makers, and we would like to see some changes.

What changes?

Talking it over with coaches, we have come up with a few suggestions and recommendations that we hope you and the boys up there will consider seriously.

I'll let you in on those changes in the next letter.

Sincerely,  
THE SPORTS MERIDIAN

## Tri-City Women Set Bowl Tourney Date

The Tri-City Women's Bowl Tourney, one of the biggest of its kind, is expected to draw a record field of contestants when the gals get down to business next month.

The tourney is scheduled to begin on March 3rd and run through the month of March at the Town & Country Lanes, 1100 S. Wayne Road. The gals will be out for team as well as individual prizes.

"With the scores some of the women and teams have been turning in lately," said Elizabeth Gunther, president of the Tri-City Women's Bowling Association, "we expect this tourney to be one of the best, if not the best, we have ever held."

"The competition is going to be keen, there's no doubt about it," she said.

The association is made up of approximately 6000 women in the Wayne, Garden City West and Romulus areas and is the largest women's bowling group in the state.

An elaborate "kick-off" is planned for opening day ceremonies. The Drill Team and Color Guard from the VFW Post 3323 and the John Glenn Band will be on hand as well as many of the area mayors and other dignitaries.

The tourney will begin on Sunday (March 3rd) at 2:30 p.m.

not the best, we have ever held.

"The competition is going to be keen, there's no doubt about it," she said.

not the best, we have ever held.

"The competition is going to be keen, there's no doubt about it," she said.

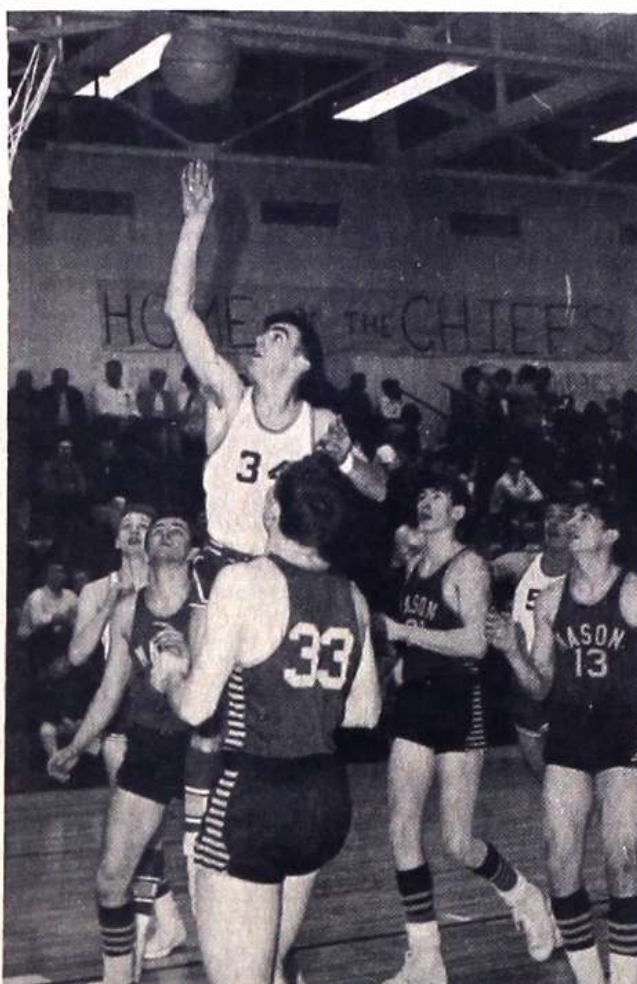

The association is made up of approximately 6000 women in the Wayne, Garden City West and Romulus areas and is the largest women's bowling group in the state.

An elaborate "kick-off" is planned for opening day ceremonies. The Drill Team and Color Guard from the VFW Post 3323 and the John Glenn Band will be on hand as well as many of the area mayors and other dignitaries.

The tourney will begin on Sunday (March 3rd) at 2:30 p.m.

RIDING HIGH--Huron cagers knocked off Lake Shore leader, Erie-Mason, 65-62, Friday night for their second conference victory of the season. It was the first time in their cage history that the Chiefs had won two games in

the league. Above, Larry Matlock and Charles DeVries (31) vie for a jump-ball (left) while (at right) Huron's Jim Inman (34) the game's high scorer drives in for a lay-up. Inman finished the game with 20 points.

## Romulus '5' Upset Victim

TEAM	WON	LOST
Rouge	7	0
Ecorse	6	1
Romulus	3	4
Willow Run	2	5
Hamtramck	2	5
Monroe CC	1	6

Hamtramck threw a zone defense in Romulus' face Friday night and slapped them with a 58-49 setback to avenge an earlier loss to coach Al Duva's Eagles in the Twin Valley Conference.

The unexpected Romulus setback killed their chances of playing for second place in the circuit. With a 3-4 league record, the Eagles presently occupy third place, three games out of second held by Ecorse which is 6-1.

Rouge, triumphant over Willow Run for the second time this year, dominates the circuit

with an unmarred 7-0 record. "We just couldn't handle their zone," said coach Duva commenting on the Hamtramck game, a team which the Eagles plastered 85-62 in the first round.

Players	FG	F	T
Nesbitt	0	2	2
Street	6	3	15
Smith	3	4	10
Harding	0	0	0
Woods	5	4	14
Harris	1	0	2
Davis	3	0	6

Players	FG	F	T
Stremack	9	2	18
Thompson	5	1	11
Harris	8	4	20
Daniely	1	0	2
Swint	1	0	2
Nicks	1	1	3

"We got to give them credit," he said. "It's the first time

in a very long time that any team has held our boys to less than 50 points."

Romulus, however, did manage to slip to a 15-12 first period lead, but the Cosmos, getting some excellent outside shooting from Cozell Harris and Ron Stremack, outscored the Eagles 16-7 to erase the deficit and gained a 28-22 halftime advantage.

Despite the stellar efforts of Mike Woods and Nolan Street, Hamtramck maintained that lead through most of the second half. The Eagles pulled to within one

point of tying it up in the final three minutes of play, but couldn't muster enough scoring strength to overcome their rivals.

Street, who has been setting the scoring pace for Romulus the past five games, tallied six baskets and three free throws for 15 points to edge out Woods, who had 14, for his team's scoring honors.

Harris accounted for 20 of Hamtramck's 58 points to walk off with the game's individual

(continued on page 27)

## Lutheran No Problem for Romulus Matmen

Getting 10 points on forfeits from Lutheran West, Romulus came off non-conference mats last week with its fourth victory in 10 dual meet starts, 27-21.

Greg Stephens (95) and Carl Sheppard (103) were awarded five points each when Lutheran couldn't supply opponents for coach Jim Stallings' matmen.

George Doyle then made it 13-0 as he worked Sam Branschki for a 8-5 decision in the 112 pound class. West picked up its first decision in the 120 where Bill Brandon claimed a 4-1 verdict over Ken Welch.

Romulus' Ralph Logan outwrestled Gary Galtfelder, 7-0, to increase his team's margin to 16-3.

When Melvin Cross failed to make weight in the 133, coach Stallings placed Ed Dishard into the lineup and the newcomer worked until 5:15 of the third period before yielding to Dallas Duke via a fall.

The Eagles responded with Russell Reaume nipping Bob Rollings, 6-4, in the 138 and Dave Brown slipping by Jim Lockhart in the 145, 7-5.

Charles Klein gave up five points to Harold Sioff in the 154.

Bronson Bell also gave up three points when Rick Sawyer strolled off the mats in the 165 with a 5-2 victory and Woody

Barker handed over five points in the 180 as he fell at the 5:15 mark of the third period to Mike Smith.

Romulus' outstanding heavyweight, Nate Williams, kept his personal streak alive as he floored Tom Erditz in 1:10 of the first period to remain undefeated.

The 16-year-old junior is presently 14-0 for the season. Romulus should have little difficulty chalking up its fifth victory of the season. The Eagles face Southgate, which has been listless in dual meet competition this season.

## Tiger Novice Matmen 5th

Belleville's novice matmen, competing at the second annual Garden City West Invitational over the weekend, accumulated a total of 32 points to place fifth in the 13-school meet.

West, the host, with a total of 92 points captured its own invitational to dethrone defending champs, Garden City East.

Coach Jim Richendollar's grapplers earned a third place medal when 95-pounder, Mike Roberts outwrestled Tom Neal, of John Glenn, 3-1. Also in third was Jim Skidmore who decided teammate Mike Lorenz, 5-0, in the 138 pound class.

Lorenz finished with a fourth place medal.

## Cage 'Underdogs' Begin to Haunt Lake Shore Rivals

TEAM	WON	LOST
Mason	3	1
Carlson	3	1
Huron	2	2
Jefferson	0	4

Time has a way of curing one's problems. And in the case of coach Dave Court and his Huron Chiefs, it appears as if time has solved their greatest woe - losing in basketball.

## Trenton Tough on Tiger Tank Team 2nd Time

Trenton disposed of Belleville the second time around in the Suburban Six Conference swim 72-33, with the Trojans picking up eight of the 11 events.

Belleville's freestylers, Jeff Archer, Phil Barr and Chet Meyer, however, ruled the conference waters. Archer swam a 2:00.2 for the 200 freestyle while Barr was timed in 24.1 for the 50 and Meyer emerged with a 54.6 for the 100 yard freestyle to win their events for the Tigers.

The perennial cage underdogs turned back Erie Mason, 65-62, Friday night to win their second Lake Shore Conference game of the season and wrecked the Erie quintet's three-game league winning streak.

It was also the first time in the cage history of the two schools that Huron had posted a victory over its once-dominant rivals.

"I knew these boys could do it," said coach Court afterwards. "All they needed was confidence and now that they have it we should be able to move right along."

The Huron victory moved the Chiefs to a 2-2 league record, the best since entering the league.

Mason, although four of its five starters got into double figures, faltered at the foul line in the closing minutes and realized 14 of 25 charities for the night.

Huron trailed the first period, 17-14, but came back in the second behind Ron Edmonds who pumped in 10 points in that period to lead the Chiefs to a 34-30 halftime margin.

The Chiefs maintained an uncomfortable three point edge,

46-43 edge in the third period. Coach Court received 20 points from 5-11 guard, Jim Inman, who hit on eight field goals and four free throws, to stroll off the floor with the game's individual scoring honors.

Also in double figures were Edmonds who added two more baskets in the second half for 14 points while Larry Matlock had 13 and Mark Patterson accounted for 11.

At the foul line the Chiefs bagged 11 for 20.

Huron played non-conference foe, Summerfield, last night and will seek its third league victory when Carlson, one of the co-league leaders, comes to town Friday night.

Players	FG	F	T

## Trenton 'Tallmen' Trip Tigers, 78-66

Two hefty Trenton musclemen, John Hutchinson and Tom Schlosser, combined for 22 of their team's 28 points in the third period to spark the Trojans to a 62-48 third period and a 78-66 victory over Belleville Friday night.

Hutchinson, who weighs in at 235 and stands 6-7, bagged 12 points while teammate Schlosser, a 6-6, 230 pounder, got 10 in the break-away quarter after Belleville stayed on Trenton's heels most of the first half.

The Tigers trailed Trenton by three points in the first period as coach Larry Hulce's boys matched the taller Trenton quintet almost on equal terms throughout the initial half.

At halftime, that three point Trenton again popped up, 34-31.

Belleville's attack was led by Wilson Boone and Bob Fowlkes who teamed up for more than half of the Tiger points. Both hit on eight field goals and two free throws each for 18 points.

Hutchinson was highman for the evening as he slipped in 13 baskets and five free throws for 31 points while Schlosser added 19.

"We played a good first half," said coach Hulce after the game, "but their height was too much for us."

Belleville had 18 free throw chances and made 12 of them while Trenton approached the free throw line for 14 of 23.

Two other Tiger starters managed to get into double figures. Norm Harrington scored on seven field goals for 14 points while Phil Hopkins sank three from the court and added

## Huron Wins on Umin's Follow Up

Tommy Umin's tap-in on the buzzer lifted Huron to a one point, 58-57, victory over Blissfield last week and gave the Chiefs an 11-2 overall record.

Huron took a 46-34 lead into the fourth period but hit a cold spell as Blissfield fought back to go ahead by one with six seconds left on the clock. Then came Umin's decisive basket.

Randy Gorham, with 19 points, led Huron's attack with John Randy and Glenn Dreganski with 10 points each.

Huron emerged on top of a 55-41 decision against Airport with Dreganski accounting for 21 points. The Chiefs have two more games on tap, a Feb. 20th date with Belleville, and Feb. 29th with Lutheran West, before wrapping up the season.

PRESENTS FLAG---Romulus Post of the VFW presented an American Flag to Romulus Police Department on Monday, Feb. 5. Accepting the flag for the department is Edmund Bizek, township supervisor, (left) and Police Chief Jacob J. Koch. William Vestuurt and Paul Stockdall, VFW representatives made the presentation.

# NEW BOSTON EVENTS

## Lazy Daisy 4H Club Offering Variety Of Projects

By  
MRS. WILLIAM HAVENSTEIN  
753-3801

At the February 5 meeting, the Lazy Daisy 4-H Club appointed two new officers with the approval of the club members. Paula Price has replaced Derrick Stang as president and Cynthia Neddo has replaced Danny Stang as vice-president. Derrick and Danny, who were elected to the offices last fall, have moved from the community creating the two vacancies. Nine projects will be offered to the members this year. Leaders in food and nutrition are Mrs. Ted Neddo who teaches the senior group at her home every other Tuesday and Mrs. Bark Clark who teaches the junior group at her home also every other Tuesday. Each Tuesday Mrs. Richard Price and Mrs. Coil teach sewing at the club house. Liquid embroidery is taught every other week at the club house by Mrs. Sylvester. Ted Neddo teaches handi-craft each Tuesday at his home. Robert Genge is in charge of the first aid project taught every other week at the club house. Bark Clark is in charge of the gun safety project.

Mrs. Clarence Otter, leader of the flower project, reminds all members in the perennial flower division to make plans for selecting and planting bulbs. Clarence Otter, leader of the Livestock Division, has announced that March 1 is the deadline for beef registration. Meetings for this group are held at the homes of the members. Douglas Coil, Frank Beaker, Melvin Beaker, Joe Dalto, Fred O'Hotske, John Fletcher, and Jerry Fletcher became new members of the club at the last meeting. 4-H members are looking for-

ward to the spring Achievement Day, March 16, and are busy working on projects to be displayed at that time. A candy sale is being planned during the month of April. Mrs. Ethel Ward, kindergarten teacher at New Boston Elementary School, is a patient in William Beaumont Hospital, Royal Oak. The students and staff wish Mrs. Ward a speedy recovery.

"The Sound of Music," theme of Huron Senior High's annual Band Dance, was highlighted by the crowning of a King and a Queen. Musical notes and instruments accented the blue and gold decorations in the auditorium. As couples danced to the music of the "Esquires," Queen Lindsay Post and King Dennis Jaworski, who were crowned by last year's royalty, Pat Jaworski and Tom Ferstle, reigned over the dance. Members of the court were Terri Ferstle, Pam Hinds, Dan Jackson, and Rick Summers.

Specialist 4 John Lemanski, son of Mr. and Mrs. John Lemanski, of King road, returned home Monday, Feb. 5, after serving a one year tour of duty in Phouc Vien, Vietnam. While in Vietnam, John served as an aircraft power repairman with the 162nd Assault Helicopter Company. After a 30-day leave, he will be stationed at Fort Benning, Georgia for his remaining three months of service. Huron Elementary students recently listened to a safety lecture by Trooper Dailey of the Flat Rock Post of the State Police. In his talks Trooper Dailey impresses upon the students their responsibilities for

their own safety. Trooper Dailey has been assigned as Safety Director of Schools in Southeastern Michigan. Trading on the Slave Market was heavy February 2 in Huron Junior High School. "Slave Day," originated and sponsored by the student council, was an overwhelming success. Student Council members were auctioned off at an all-school assembly. After the auction they became the property of their masters for the entire school day. They carried books, shined shoes, cleaned chalkboards, and wore signs showing to whom they belonged. The highest bidding of the day for a single slave was for Jack Gracia, who was claimed by Cornell Breaze, for a price of \$8.70. The auction netted \$108.45 for the Student Council Athletic Fund.

A well attended meeting of the Huron Senior Citizens was held February 6 with 44 present to hear State Representative Ed Mahalak speak. He spoke on two subjects of interest, the Michigan state income tax and the annexation of a portion of Sumpter to the Huron School District. The next Senior Citizens meeting will be held Tuesday Feb. 20, at the Huron Elementary School where a pot-luck supper will begin at 5:30 p.m.

Make plans to see "Oklahoma," the musical-comedy which will be presented by the Wyandotte Community Theatre Group in the Wilson Junior High School, 1275 Fifteenth, Wyandotte, February 16th through 18th and February 22nd through 24th. Curtain time is 8:30 p.m. except the Sunday performance which begins at 7:30 p.m. Wayne Fawcett, director has brought together an impressive cast of actors, singers and dancers. Playing the leading roles are Christine McKay, of Trenton, and Charles Elliott, of Huron Township. A chorus of more than 25 members will perform under musical director David Ward and Choreographer B.J. Scholtz.

Mrs. Henry Mason is in charge of tickets, which are being sold on a reserved evening basis. She may be reached at 284-0375. Reservations also may be made by calling Mrs. Olesko at WA 8-6852; Mrs. Gordon at 928-4528 or Mrs. Fawcett after 5:30 p.m. at 292-8530. Adult tickets are \$2.50 each and student admission is \$1.75. Blocks of tickets for groups and organizations can be reserved for Thursday and Sunday performances.

Visit the Thrift Shop at St. Timothy Episcopal Church, 24704 Gibraltar road, Flat Rock, February 16 from 4 p.m. to 7 p.m. Clothing and white elephant items will be on sale. The thrift shop will be open for business along with the weekly fish fry.

Mrs. Mary Grover, first grade teacher at Waltz School, has put her birthday gift of a television set to good use in her class room. The children have viewed science programs on channel #56 which makes the subject more interesting and also easily understood.

The Ladies Aid of St. Johns Lutheran Church of Waltz will sponsor a card party in the church hall February 16 at 7:45 p.m. The \$1. donation will include lunch.

David Price, who is serving a tour of duty with the United States Army would enjoy hearing from friends. David attended Huron High School and was active in the Lazy Daisy 4-H Club.

His address is: P.F.C. David Price RA 16940623, Btry. B 4th of 60th Arty., A.P.O. San Francisco, Calif. 96138.

## CITY OF BELLEVILLE COUNCIL PROCEEDINGS

**REGULAR MEETING**  
**FEBRUARY 5, 1968**

A Regular Meeting of the City Council for the City of Belleville, County of Wayne, State of Michigan, was called to order by Mayor Smith, with Councilmen Walters, Palmer, and Amerman present. Councilman Boone Absent.

Motion by Amerman, seconded by Palmer, that the minutes of the regular meeting held January 15, 1968, be approved. Carried; Unanimously.

Motion by Palmer, seconded by Walters, that the Minutes of the Special meeting, held January 24, 1968, be approved with the following correction, Ordinance # 68-101 Sec. 1, to read ADOPTION OF THE NATIONAL FIRE PREVENTION CODE BY Reference, pursuant to the provisions of Section 30(a) of act 279PA of 1909 State of Michigan. Carried; Unanimously.

Motion by Walters, seconded by Palmer, that the minutes of the Special meeting, held January 27, 1968, be approved. Carried; Unanimously.

Motion by Amerman, seconded by Palmer, that the City Council for the City of Belleville approve the Huron River Watershed Council's Statement of Goals. Carried; Unanimously.

Motion by Palmer, seconded by Walters, that the City Fire Chief's request for an extension course in Fire Prevention, to be conducted by a State Instructor in the Conference Room at 6 Main St., Belleville, Michigan, be approved. Carried; Unanimously.

Mrs. Lillyan Carlson, Mrs. Marion Batzer and Miss Charlene Tator, of the Junior Study Club, attended the Council Meeting and requested permission to erect two (2) signs, one at Victory Park and one at the front of the Fred C. Fischer Library. Motion by Amerman, seconded by Walters, that the Junior Study Club be authorized to install the two (2) signs and the location to be specified by the Public Works Department. Carried; Unanimously.

Mayor Smith re-appointed Virgil Lockrow as a member to the City Planning Commission.

Motion by Palmer, seconded by Amerman, that the Mayor's appointment be confirmed. Carried; Unanimously.

Letter received from Mr. Stanley Stawinski, was read aloud; and councils reply was, that under provisions of existing Zoning Ordinance, residential use is not permitted in a B-2 district, Council regrets that no relief can be given.

Mr. Richard Brender of Brender & Brender City Engineer's attended the Council meeting and discussed plans for the location of all Utilities in the City of Belleville.

Mayor Smith appointed Nelson J. Boone, as Chairman of Michigan Week for 1968.

Motion by Amerman, seconded by Walters, that the Mayor's appointment be confirmed. Carried; Unanimously.

Upon Motion by Amerman, supported by Palmer, that the following resolution was offered;

**RESOLUTION**

WHEREAS, The City Planning Commission has considered changes in Map Area 28-a of the Zoning Ordinance of the City of Belleville, being Ordinance No. 65-86 and

WHEREAS, The City Council for the City of Belleville deems it advisable to hold a public hearing on the question of said amendment;

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Belleville does hereby propose to amend Map Area 28-a of the Zoning Ordinance of the City of Belleville by changing the presently zoned R-M and R-2 district to R-m district in an area described generally as

Lots 43 and 44 Assessor's Belleville Plat No. 3

BE IT FURTHER RESOLVED, that a copy of the amended Map Area 28-a be available for inspection in the office of the City Clerk up until the time herein set for hearing.

BE IT FURTHER RESOLVED, that a public hearing be had and the same is hereby ordered to be held on the 4th day of March, 1968, at 8:00 o'clock P.M. in the City Council Chambers, 6 Main Street, Belleville, Michigan, at which time a hearing will be granted to any person interested by the City Council.

BE IT FURTHER RESOLVED, that the City Clerk shall give not less than fifteen (15) days notice of the time and place of said public hearing by publication in the Enterprise Roman, a newspaper of general circulation in the City of Belleville, in accordance with the statute in such case made and provided.

BE IT FURTHER RESOLVED, that the City Clerk shall also give not less than fifteen (15) days notice of the time and place of said public hearing, by registered United States Mail, to each Public Utility Company to each railroad company owning and operating any public utility or railroad within the district and zone to be affected.

AYES: WALTERS, PALMER, AMERMAN, SMITH  
NAYS: NONE  
ABSENT: BOONE

Motion by Walters, seconded by Palmer, that the meeting be adjourned. Carried; Unanimously.

IRWIN W. STECH, City Clerk.

## NOTICE

### Of Filing Nominating Petitions

Notice is hereby given that in compliance with the provisions of Chapter VII, Section 7 of the Charter of the City of Belleville, the City Clerk has available petitions for persons desiring to qualify as a candidate for the office of Mayor, (4) Councilman, City Treasurer, Justice of the Peace, and Constable to be voted upon at the regular city election to be held on Monday, April 1, 1968 and that

**Saturday, March 9, 1968**

**At 12:00 O'Clock Noon**

is the final date and hour for filing nominating petitions for said regular election.

IRWIN W. STECH, City Clerk

## NOTICE

### LAST DAY TO REGISTER FOR GENERAL ELECTION

TO BE HELD ON

## MONDAY, APRIL 1, 1968

To the Qualified Electors of the City of Belleville, State of Michigan

Notice is hereby given that in conformity with the "Michigan Election Law" I, the undersigned City Clerk, will upon any day, EXCEPT Saturday, Sunday, and a legal holiday, the day of any regular or special election or primary election, receive for registration, the name of any legal voter in said City not already registered, who may APPLY TO ME PERSONALLY or (Authorized Substitute) for such registration, providing, however, that I can receive no names for registration during the time intervening between the Thirtieth day prior to any regular, special or official primary election and the day of such election.

Notice is hereby given that I will be at the Clerk's Office, 6 Main St. Belleville, Michigan, on

**FRIDAY, MARCH 1, 1968**

As provided for in Section 168.498 of the Michigan State Election Laws, from 8:00 A.M. to 8:00 P.M.

For the purpose of REVIEWING the REGISTRATION and REGISTERING SUCH of the qualified electors in said City as SHALL PROPERLY apply therefore.

The name of no persons but an ACTUAL RESIDENT of the City at the time of registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

IRWIN W. STECH, Clerk  
City of Belleville

Township of Huron  
County of Wayne, Michigan

Minutes of a recessed regular Meeting of the Township Board of the Township of Huron, County of Wayne, Michigan, held in the Township Hall in said Township on Friday, the 9th day of February, 1968, at 8:00 o'clock p.m., Eastern Standard Time.

PRESENT: Trustees Angel, Bragenzer, Krause, Kreyger, Raker, Wilson.

ABSENT: Trustee Carey.

The following preamble and resolution were offered by Trustee Wilson and supported by Trustee Bragenzer: WHEREAS, there exists an imperative need to acquire in the Township of Huron as a part of the Wayne County Metropolitan Sewerage and Sewage Disposal System certain sanitary sewers as hereinafter in the contract more particularly set forth; and

WHEREAS, preliminary plans and estimate of cost of said improvements have been prepared by Brender and Brender, Inc., consulting engineers of Wayne, Michigan, which said preliminary plans and estimate of cost have been reviewed by this Board; and

WHEREAS, this Board has determined that it is necessary for the public health to acquire said sanitary sewers in accordance with said preliminary plans and estimate of cost; and

WHEREAS, Section 5a, 5b and 5c of Act 342, Public Acts of Michigan, 1939, as amended, authorize the execution of contracts between municipal units and the property county agency providing for the acquisition, construction and financing of sanitary sewers; and

WHEREAS, the County of Wayne, acting by and through its Board of Supervisors, and in accordance with Act 342, Public Acts of Michigan, 1939, as amended, by resolution adopted by majority vote of its Board of Supervisors on October 9, 1939, and by Ordinance No. 200 duly adopted on September 20, 1952, authorized and directed that there be established a system of sewage disposal improvements and services to be known as the Wayne County Metropolitan Sewerage and Sewage Disposal System, and did designate the Board of County Road Commissioners of the County of Wayne, as the agency for the County, to acquire, operate, maintain and improve the system with all the powers and duties conferred upon such agency by statute; and

WHEREAS, this Board determines it to be in the best interest of the Township to acquire said sanitary sewers and to finance the cost thereof in accordance with the provisions of Section 5a, 5b and 5c of Act 342, Public Acts of Michigan, 1939, as amended; and

WHEREAS, a contract between the Township of Huron and the Board of County Road Commissioners of the County of Wayne, providing for the acquisition, construction and financing of said sanitary sewers, and such matters as are deemed necessary thereto, has been prepared;

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The Township Board of the Township of Huron hereby determines it to be necessary for the public health and safety to acquire the sanitary sewers set forth in the contract herein included as a part of this resolution.

2. This Board deems it to be in the best interest of the Township to finance the cost of such improvements in accordance with the provisions of Section 5a, 5b and 5c of Act 342, Public Acts of Michigan, 1939, as amended.

3. The Township Board hereby approves the preliminary plans and estimate of cost of said improvements prepared by Brender and Brender, Inc., consulting engineers of Wayne, Michigan.

4. The Township Board does hereby approve the following contract for the acquisition, construction and financing of said sanitary sewers:

## CONTRACT

THIS CONTRACT, made and entered into this \_\_\_\_ day of \_\_\_\_\_, A.D., 1968, by and between the BOARD OF COUNTY ROAD COMMISSIONERS OF THE COUNTY OF WAYNE, Michigan, a public body corporate, acting for and on behalf of the County of Wayne, Michigan, party of the first part, hereinafter referred to as the "BOARD," and the TOWNSHIP OF HURON, a municipal corporation in the County of Wayne, State of Michigan, hereinafter referred to as the "TOWNSHIP,"

## WITNESSETH:

WHEREAS, the County of Wayne, Michigan, acting by and through its Board of Supervisors and in pursuance of the authority conferred upon it by Act 342, Public Acts of Michigan, 1939, as amended (hereinafter referred to as "Act 342"), did by resolution duly adopted by a majority vote of its members-elect on October 9, 1939, and by Ordinance No. 200 duly adopted on September 20, 1952, authorize and direct that there be established a system of sewage disposal improvements and services, to be known as the Wayne County Metropolitan Sewerage and Sewage Disposal System (hereinafter referred to as the "County System"), and did designate the BOARD as the agency for the County to operate and maintain such system with all the powers and duties conferred upon such agency by statute; and

WHEREAS, said Ordinance No. 200 specifically provides, in part, as follows, to wit:

"Section 10. To provide for necessary improvements, additions and extensions to the system, and the financing thereof, the Board is authorized to prepare plans, details and specifications therefor, to prepare and submit necessary ordinances, resolutions or other documents necessary to the issuance of any of the type of bonds or notes authorized by the provisions of Act 342, Public Acts of 1939, as amended, and to that end is authorized to make and execute contracts, agreements or other documents relating thereto as authorized by the provisions of said Act: Provided, However, that before any bonds or notes are issued or sold, the proceedings authorizing the issuance or sale shall be formally approved by resolution or ordinance of the Board of Supervisors of Wayne County in manner provided by said Act."

and WHEREAS, because of the extremely rapid growth and development of the area in the County of Wayne located in the TOWNSHIP for industrial, commercial and residential purposes, an imperative need has existed and does now exist for sanitary sewer facilities to provide for said needs, and it is now necessary to preserve and protect the public health that such sanitary sewer needs be financed and constructed; and

WHEREAS, the sanitary sewers to be constructed under the provisions of this contract will use interceptors to be constructed by the County to service the TOWNSHIP and the City of Flat Rock, the sewage so collected to be transported and treated by the Flat Rock Sewage Treatment Plant of the County; and

WHEREAS, the sanitary sewers and facilities hereinbefore referred to, which are now necessary to be constructed, will be located as follows, to-wit:

## Sanitary Sewer Area No. 3

Willow Park	Gravity Sewer In Park	Willow Road
Willow Road	S. Huron Rd.	Romine Road
Romine Road	Willow Road	Ash Road
Ash Road	Romine Road	Bell Road
Willow Road - Crossing of Prop. I-275	1/2 mile N. of Will Carleton - Crossing of Prop. I-275 (E. & W. 1/4 Line Sec. 33)	

The above located sanitary sewers shall include all necessary appurtenances and facilities.

A blueprint plan showing said sewer improvements is on file in the offices of the BOARD; and

WHEREAS, the BOARD has caused preliminary plans and estimate of cost of said proposed sewer improvements to be prepared by Brender and Brender, Inc., consulting engineers of Wayne, Michigan (hereinafter in this Contract called "consulting engineers"), which said estimate of cost is the sum of Three Million One Hundred Forty Thousand (\$3,140,000.00) Dollars (which said estimate of cost is hereinafter referred to in this Contract as "estimated cost"); and

WHEREAS, said sewer improvements constitute and will be additions to the County System, and it is the determination and judgment of the BOARD and the TOWNSHIP that said new sanitary sewer improvements should be financed and constructed pursuant to the authorization provided in Act 342 and Ordinance No. 200, hereinbefore referred to, all of said new sewer improvements being vitally necessary to preserve and protect the public health; and

WHEREAS, the Contract will become effective upon approval of the same by appropriate resolution of the Township Board of the TOWNSHIP; the publication thereof as required by Act 342; the expiration of the referendum period provided in Act 342; and the execution thereof by the authorized officers of the parties hereto;

NOW, THEREFORE, in consideration of the premises and the covenants of each other, the parties hereto agree as follows:

1. The BOARD and the TOWNSHIP hereby approve and confirm the sewer improvements to be acquired and constructed as set forth in the preamble to this Contract, and agree that the same shall be acquired and constructed in the manner provided by and pursuant to this Contract. The BOARD and the TOWNSHIP further hereby approve and confirm the preliminary plans for said sewer improvements prepared by the consulting engineers and the estimated cost as set forth in the preamble hereto. The acquisition and construction of the sewer improvements herein approved are hereinafter in this Contract referred to as PROJECT TO BE FINANCED.

2. The PROJECT TO BE FINANCED and the estimated cost thereof in the sum of Three Million One Hundred Forty Thousand (\$3,140,000.00) Dollars, as set forth in the preamble to this Contract, include all surveys, plans, specifications, acquisition of property for rights-of-way, including consequential and abutment damages, if any, and interest on awards, physical construction necessary to acquire and construct the sewer improvements approved and confirmed in Section 1 of this Contract, the acquisition of all materials necessary to acquire and construct said sewer improvements, interest on the County bonds hereinafter referred to for a period of one (1) year during construction and engineering supervision, administrative, legal and financing expenses necessary in connection with the acquisition and construction of said sewer improvements and the financing thereof.

3. The BOARD will acquire and construct the sewer improvements approved and confirmed in Section 1 of this Contract and for that purpose will take bids for the acquisition and construction of the improvements prior to the time that any bonds are issued for the purpose of financing the cost of said improvements. The BOARD shall in no event enter into any final contract or contracts for the construction and acquisition of said improvements where such contract price or prices will be such as to cause the actual total cost of the PROJECT TO BE FINANCED to exceed the estimated cost, as set forth in the preamble to this Contract, unless the TOWNSHIP, by resolution of its Township Board, approves said increased total cost and agrees to pay the excess over the estimated cost, either in cash, or by specifically authorizing the maximum principal amount of bonds to be issued as provided in Sections 6 and 7 of this Contract, to be increased to an amount which will provide sufficient funds to meet said increased total cost, and a similar increase in the installment obligations of the TOWNSHIP pledged under the terms of this Contract to the payment of such bonds. The sewer improvements shall be acquired and constructed by the BOARD in accordance with the plans and specifications therefor based on preliminary plans approved by this Contract: Provided, However, that minor variations from said plans and specifications may be made without the approval of the TOWNSHIP if such variations shall not materially affect said plans and specifications. All matters relating to engineering plans and specifications, together with the making and letting of final construction contracts, for the sewer improvements specified in Section 1 of this Contract shall be in the exclusive control of the BOARD. All acquisition of rights-of-way, inspection and the approval of work and materials thereunder and all construction supervision shall be done by the TOWNSHIP, who shall cause certificates for required payments to contractors to be executed in the manner and at the times required by the construction contracts which such certificates shall be presented to the BOARD by the TOWNSHIP and the BOARD shall make the payments required to be made. The BOARD shall be entitled to make any payment required to be made pursuant to any certificate filed with it by the TOWNSHIP on the basis of the certificate alone and shall not be required to make any determination or investigation as to whether the work has actually been done or the materials supplied.

4. The TOWNSHIP consents to the use by the BOARD, acting for and on behalf of the County of Wayne, of the public streets, alleys, lands and rights-of-way in the TOWNSHIP for the purpose of constructing, operating and maintaining said sewer improvements, and any enlargements or extensions thereof.

5. Upon completion of the sewer improvements specified in the preamble and approved in Section 1 of this Contract, the TOWNSHIP shall operate and maintain said improvements, for and on behalf of the BOARD, at its sole expense. The sanitary sewage collected by said sewers will be transported through interceptors to be constructed as a part of the County System by the BOARD, acting for and on behalf of the County of Wayne, and disposed of and treated through the treatment facilities of the Flat Rock Sewage Treatment Plant of the County of Wayne. The TOWNSHIP is obligated by contract to pay the sewage disposal rate established for said sewage disposal and treatment service from time to time by the BOARD acting for and on behalf of the County of Wayne.

6. To carry out and accomplish the PROJECT TO BE FINANCED, in accordance with the provisions of Act 342, Public Acts of Michigan, 1939, as amended, the BOARD shall take the following steps:

(a) The Board shall immediately take all steps necessary to take bids for and enter into and execute final construction contracts for the acquisition and construction of the sewer improvements specified in the preamble and approved in Section 1 of this Contract in accordance with the plans and specifications therefor based on the preliminary plans as approved by this Contract. Said final construction contracts shall specify a completion date of the sewer improvements.

(b) The BOARD will require and procure from the contractor or contractors undertaking the actual construction and acquisition of the sewer improvements, necessary and proper bonds to guarantee the performance of the contract or contracts, and such labor and material bonds as may be required by law, in such amount and such forms as may be approved by the BOARD.

(c) The BOARD will submit to the Board of Supervisors of the County of Wayne, an ordinance or reso-

lution, providing for the issuance of bonds in the aggregate principal sum of \$3,140,000.00 (except as authorized pursuant to this Contract), said bonds to mature serially, as authorized by law, and to be issued in anticipation of the installment payments to be made by the TOWNSHIP as hereinafter provided in this Contract, and to be secured primarily by the contractual obligation of the TOWNSHIP to pay the installments due, plus interest, as hereinafter provided in this Contract, and secondarily, if approved by a majority of the members-elect of the Board of Supervisors, by the full faith and credit of the County of Wayne. After due adoption of the bond ordinance or resolution, the BOARD will take all necessary legal procedures and steps necessary to effectuate the sale and delivery of said bonds.

(d) The BOARD, upon receipt of the proceeds of sale of the bonds, will comply with all provisions and requirements provided for in the ordinance or resolution authorizing issuance of the bonds and this Contract relative to the disposition and use of the proceeds of sale of the bonds.

7. The cost of the sewer improvements, referred to in the preamble of this Contract, shall be charged to and paid by the TOWNSHIP to the BOARD in the manner and at the times herein set forth. The said cost thereof (presently estimated at Three Million One Hundred Forty Thousand (\$3,140,000.00) Dollars), shall be paid to the BOARD, as the agency of the County, in thirty-one (31) annual principal installments, plus interest and other expenses as hereinafter provided. The principal installments shall be as specified in Exhibit A (or any revision thereof made pursuant to paragraphs 8 or 9 of this Contract) attached to this Contract and made a part hereof by reference.

It is understood and agreed that the bonds of the County hereinafter referred to will be issued, in anticipation of the payment of the annual installments herein provided, and as set forth in Exhibit A, with principal maturities on May 1st of each year, commencing with the year 1972, equal to the principal amount of the annual installments due on the preceding April 1st of such year, and bearing interest at the rate or rates determined on public sale thereof, payable on May 1st and November 1st of each year.

It is further understood and agreed that the TOWNSHIP shall also pay the BOARD, as the agency of the County, in addition to the principal installments as specified in Exhibit A, on April 1st and October 1st of each year, as accrued interest on the principal installments remaining unpaid, an amount sufficient to pay all interest due on the next succeeding interest payment date (May 1st and November 1st, respectively), on said County bonds from time to time outstanding. From time to time as the BOARD is billed by the paying agent or agents for the County bonds to be issued for their services as paying agent, or registering bonds, and as other costs and expenses accrue to the BOARD from handling of the payments made by the TOWNSHIP, the BOARD shall notify the TOWNSHIP of the amounts of such paying agency fees and other costs and expenses, and the TOWNSHIP shall, within thirty (30) days from such notification, remit to the BOARD sufficient funds to meet such paying agency fees and other costs and expenses.

The BOARD shall, within thirty (30) days after the delivery of the County bonds hereinafter referred to, furnish the TOWNSHIP with a complete schedule of said installments, and the interest thereon due on the dates above set forth, and shall also, at least thirty (30) days prior to the due date of any such installment of principal and interest, or interest, advise the TOWNSHIP, in writing, of the exact amount due on said date. The failure to give such notice shall not, however, excuse the TOWNSHIP from making its required payments when due under the provisions hereof.

If any installment payment as herein provided is not paid when due, the amount so not paid shall be subject to a penalty, in addition to interest, of one-half of one per cent (1/2 of 1%) thereof for each month or fraction thereof that the same remains unpaid after the due date.

8. If the proceeds of the sale of the original County bonds authorized by this Contract are for any reason insufficient to complete the acquisition and construction of the PROJECT TO BE FINANCED in accordance with the plans and specifications therefor, the BOARD shall, if necessary, submit to the Board of Supervisors of Wayne County a resolution providing for the issuance and sale of additional County bonds in an amount necessary to provide sufficient funds to complete the PROJECT TO BE FINANCED, in which event the duties and obligations of the BOARD and the TOWNSHIP as expressed and set forth in this Contract shall be applicable to such additional issue of bonds as well as the original issue, it being at all times fully recognized and agreed that the payments to be made by the TOWNSHIP in the manner specified in paragraph 7 of this Contract shall be based upon the cost of the PROJECT TO BE FINANCED. Any such additional bonds shall mature serially on May 1st, and the installment maturing on the April 1st preceding said May 1st, as shown by Exhibit A, shall be increased by the principal amount of such additional bonds maturing on said May 1st. All the provisions of paragraph 7 of this Contract shall be applicable to said increased amounts. Immediately upon the issuance of such additional bonds, the BOARD shall furnish and supply the TOWNSHIP a document entitled "Revised Exhibit A" specifying the new schedule of installments, increased as herein authorized, which shall be substituted and take the place of the present Exhibit A and the installment therein specified.

9. In the event, by reason of favorable construction bids received, it is not necessary to issue the County bonds in the full amount of \$3,140,000.00 based upon the present estimated cost, but such bonds are authorized and issued in such lesser principal amount as may be necessary to pay the cost of the PROJECT TO BE FINANCED, the installment payments of the TOWNSHIP as provided in paragraph 7 and Exhibit A of this Contract shall be reduced proportionately so that the installment payment due on April 1st of each year shall correspond to the principal amount of the bonds maturing on the next succeeding May 1st. All the provisions of paragraph 7 of this Contract shall be applicable to said reduced installments, the same as though such installments were originally in said reduced amounts. In such event the BOARD shall furnish and supply the TOWNSHIP a new "Exhibit A" specifying the new schedule of installments, reduced as herein authorized, which shall be substituted and take the place of the present Exhibit A and the installment therein specified.

It is fully understood and agreed by the BOARD and the TOWNSHIP that the principal amount of the annual installments, as specified in Exhibit A and due on April 1st of each year, shall at all times correspond to the principal amount of bonds due on the following May 1st.

10. The TOWNSHIP, pursuant to the authorization of Section 5a of Act 342, Public Acts of Michigan, 1939, as amended, irrevocably pledges its full faith and credit for the prompt and timely payment of its obligations expressed in this Contract, and, except as hereafter provided, shall each year, commencing with the year 1968, levy an ad valorem tax on all the taxable property in the TOWNSHIP in an amount which, taking into consideration estimated delinquencies in tax collections, will be sufficient to pay its obligations under this Contract becoming due before the time of the following year's tax collections. Such annual levies, by virtue of the authorization of Section 6, Article IX, of the Michigan Constitution of 1963, shall be without limitation as to rate or amount, being for the purpose of providing funds to meet the contractual obligations of the TOWNSHIP, in anticipation of which the County bonds, hereinafter referred to, are issued. Nothing herein contained shall be construed to prevent the TOWNSHIP from using any, or any combination of, the means and methods provided in Section 5a of said Act 342, Public Acts of Michigan, 1939, as now or hereafter amended, for the purpose of providing funds to meet its obligations under this Contract, and if, at the time of making the annual tax levy there shall be other funds on hand earmarked and set aside for the payment of the contractual obligations due prior to the next tax collection period, then such annual tax levy may be reduced by such amount, or if sufficient of such funds

are so on hand and earmarked to provide for the full payment of the contractual obligations due prior to the next tax collection period, then no tax levy need be made for such year.

11. The TOWNSHIP may pay in advance any of the payments required to be made by this Contract, in which event the BOARD shall credit the TOWNSHIP with such advance payment on future due payments to the extent of such advance payment.

12. The TOWNSHIP may pay additional moneys over and above any of the payments specified in this Contract with the written request that said additional funds be used to call bonds for redemption prior to maturity, in which event the BOARD shall be obligated to apply and use said moneys for such purpose. Such moneys shall not then be credited as advance payments under the provisions of Section 11 of this Contract.

13. In the event the TOWNSHIP shall fail for any reason to pay the BOARD at the times specified, the amounts required to be paid by the provision of this Contract, the BOARD shall immediately notify, in writing, both the County Treasurer of the County of Wayne and the Township Treasurer of such default and the amount thereof, and if such default is not corrected within ten (10) days after such notification, the County Treasurer or other official charged with disbursement to the TOWNSHIP of funds derived from the State sales tax levy under the law, and payable to the TOWNSHIP pursuant to Section 10, Article IX, of the Michigan Constitution of 1963, is by these presents specifically authorized by the TOWNSHIP to withhold funds to the maximum amount necessary to cure said deficit, derived from such sales tax levy and returnable to the TOWNSHIP, and to pay said sums so withheld to the BOARD to apply on the obligations of the TOWNSHIP as herein set forth. Any such moneys so withheld and paid shall be considered to have been returned to the Township within the meaning of the Michigan Constitution of 1963, the purpose of this provision being solely to voluntarily authorize the use of said funds owing to the TOWNSHIP to meet past due obligations of the TOWNSHIP due under the provisions of this Contract. In addition to the foregoing, the BOARD shall have all other rights and remedies provided by law to enforce the obligation of the TOWNSHIP to make its payments in the manner and at the times required by this Contract.

14. It is specifically recognized by the TOWNSHIP that the payments required to be made by it pursuant to the terms of Section 7 of this Contract are to be pledged for and used to pay the principal of and interest on the bonds to be issued by the County, as provided by this Contract and authorized by law, and the TOWNSHIP covenants and agrees that it will make its required payments to the BOARD promptly and at the times herein specified, without regard to whether the PROJECT TO BE FINANCED is actually completed or placed in operation.

15. Nothing herein contained shall in any way be construed to prevent additional financing under the provisions of Act 342, Public Acts of Michigan, 1939, as amended, or any other law, for the purpose of constructing all or any portion of additional necessary sanitary sewer improvements.

16. After completion of the PROJECT TO BE FINANCED and payment of all costs thereof, any surplus remaining from the proceeds of sale of bonds shall be used by the BOARD for either of the following purposes at the option of, and upon request made by resolution of the Township Board of the TOWNSHIP, to wit: (a) for additional sewer and sewage disposal facilities in the TOWNSHIP, subject to approval of the BOARD, or (b) credited by the BOARD towards the next payments due the BOARD by the TOWNSHIP hereunder.

17. All contracts for connection to the sewer improvements, whether such connections are made during construction or after the sewer improvements are placed in operation, shall be made by the TOWNSHIP. The actual costs of such connections shall be paid by the TOWNSHIP except to the extent that the costs of such connections are included in the cost of the PROJECT TO BE FINANCED.

18. The obligations and undertakings of each of the parties to this Contract shall be conditioned on the successful issuance and sale of bonds pursuant to Act 342, Public Acts of Michigan, 1939, as amended, and, if for any reason whatsoever said bonds are not issued and sold within two years from the date of this Contract, this Contract, except for payment of preliminary expenses and ownership of engineering data, shall be considered void and of no force and effect. In the event that said bonds are not issued and sold, all preliminary legal and engineering costs shall be paid by the TOWNSHIP, and the TOWNSHIP shall have ownership, possession and use of all plans and specifications, surveys and other engineering data and materials prepared.

19. The sewer improvements acquired and constructed in accordance with the provisions of this Contract shall be a part of the County System. The TOWNSHIP shall at all times maintain the sewer improvements to be acquired and constructed hereunder at its own expense for and on behalf of the BOARD. If at any time during the term of this Contract the TOWNSHIP refuses or neglects to properly repair or maintain any of the facilities required to be maintained by it hereunder, the BOARD shall in writing order the TOWNSHIP to perform all necessary items of repair and maintenance and, in case of non-compliance with such order within thirty (30) days, the BOARD may proceed with such work and the TOWNSHIP agrees to reimburse the BOARD for any expenses incurred thereby.

20. The BOARD and the TOWNSHIP each recognize that the holders from time to time of the bonds issued by the County under the provisions of Section 5c of Act 342, Public Acts of Michigan, 1939, as amended, to finance the cost of the PROJECT TO BE FINANCED, will have contractual rights in this Contract and it is therefore covenanted and agreed by each of them that so long as any of said bonds shall remain outstanding and unpaid, the provisions of this Contract shall not be subject to any alteration or revision which would in any manner materially affect either the security of the bonds or the prompt payment of principal or interest thereon. The TOWNSHIP and the BOARD further covenant and agree that they will each comply with their respective duties and obligations under the terms of this Contract promptly at the times and in the manner herein set forth, and will not suffer to be done any act which would in any way impair the said bonds, the security therefor, or the prompt payment of principal and interest thereon. It is hereby declared that the terms of this Contract, insofar as they pertain to the security of any such bonds, shall be deemed to be for the benefit of the holders of said bonds.

21. This Contract shall remain in full force and effect for a period of forty (40) years from the date hereof, or until such lesser time as the bonds issued by the County are paid in full. At such time within said forty-year term as all of said bonds are paid, this Contract may be altered or changed by consent of the parties hereto or may be terminated by such consent. In any event, the obligation of the TOWNSHIP to make the payments required by Section 7 of this Contract shall be terminated at such time as all of said bonds are paid in full.

22. The TOWNSHIP shall defend, indemnify and save harmless the BOARD from and against any and all claims of any nature whatsoever, including damage to property of the BOARD or injury to or death of employees of the BOARD, arising out of the construction, operation and/or maintenance of the PROJECT TO BE FINANCED.

23. This Contract shall inure to the benefit of and be binding upon the respective parties hereto, their successors and assigns.

IN WITNESS WHEREOF, the parties hereto have caused this Contract to be executed this \_\_\_\_ day of \_\_\_\_\_, 1968.

# HURON TOWNSHIP SEWER IMPROVEMENTS CONTRACT

Township of Huron  
County of Wayne, Michigan

Minutes of a Recessed Regular Meeting of the Township Board of the Township of Huron, County of Wayne, Michigan, held in the Township Hall in said Township on Friday, the 9th day of February, 1968, at 8:00 o'clock p.m., Eastern Standard Time.

PRESENT: Members Angel, Bragenzer, Krause, Kreyger Raker, Wilson.  
ABSENT: Member Carey.

The following preamble and resolution were offered by Member Raker and supported by Member Kreyger: WHEREAS, there exists an imperative need to acquire for the Township of Huron, as a part of the Wayne County Metropolitan Sewerage and Sewage Disposal System, certain additional sanitary sewer facilities as hereinafter in the Contract more particularly set forth; and

WHEREAS, preliminary plans and estimate of cost of said improvements have been prepared by the engineering staff of the Board of Road Commissioners of the County of Wayne, as to the sanitary interceptor sewers, and by Hubbell, Roth and Clark, Inc., consulting engineers, Birmingham, Michigan, as to necessary improvements to the Flat Rock Sewage Treatment Plant of the County, which said preliminary plans and estimate of cost have been reviewed by the Township Board; and WHEREAS, the Township Board has determined that it is necessary for the public health to acquire said additional sewer improvements in accordance with said preliminary plans and estimate of cost; and

WHEREAS, Sections 5a, 5b and 5c of Act 342, Public Acts of Michigan, 1939, as amended, authorizes the execution of contracts between municipal units and the proper county agency providing for the acquisition, construction and financing of sewer improvements; and

WHEREAS, the County of Wayne, acting by and through its Board of Supervisors, and in accordance with Act 342, Public Acts of Michigan, 1939, as amended, by resolution adopted by majority vote of its Board of Supervisors on October 9, 1939, and by Ordinance No. 200 duly adopted on September 29, 1952, authorized and directed that there be established a system of sewage disposal improvements and services to be known as the Wayne County Metropolitan Sewerage and Sewage Disposal System, and did designate the Board of County Road Commissioners of the County of Wayne, as the agency for the County, to acquire, operate, maintain and improve the System with all the powers and duties conferred upon such agency by statute; and

WHEREAS, the Township Board determines it to be in the best interest of the Township to acquire said additional sewer improvements and to finance the cost thereof in accordance with the provisions of Sections 5a, 5b and 5c of Act 342, Public Acts of Michigan, 1939, as amended; and

WHEREAS, a Contract between the Township of Huron, the City of Flat Rock and the Board of County Road Commissioners of the County of Wayne, acting for and on behalf of the County of Wayne, providing for the acquisition, construction and financing of said additional sewer improvements, and such matters as are deemed necessary thereto, has been prepared;

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The Township Board of the Township of Huron hereby determines it to be necessary for the public health and safety to acquire the additional sewer extensions and improvements set forth in the Contract herein included as a part of this resolution.

2. The Township Board deems it to be in the best interest of the Township of Huron to finance the cost of such improvements in accordance with the provisions of Sections 5a, 5b and 5c of Act 342, Public Acts of Michigan, 1939, as amended.

3. The Township Board hereby approves the preliminary plans and estimate of cost of said improvements prepared by the engineers hereinbefore referred to.

4. The Township Board does hereby approve the following contract for the acquisition, construction and financing of said additional sewer improvements:

## CONTRACT

THIS CONTRACT, made and entered into this day of February, A.D., 1968, by and between the BOARD OF COUNTY ROAD COMMISSIONERS OF THE COUNTY OF WAYNE, Michigan, a public body corporate, acting for and on behalf of the County of Wayne, Michigan, party of the first part, hereinafter referred to as the "BOARD," and the TOWNSHIP OF HURON and the CITY OF FLAT ROCK, municipal corporations in the County of Wayne, State of Michigan, parties of the second part, hereinafter referred to, respectively, as the "TOWNSHIP" and the "CITY,"

## WITNESSETH:

WHEREAS, the County of Wayne, Michigan, acting by and through its Board of Supervisors and in pursuance of the authority conferred upon it by Act 342, Public Acts of Michigan, 1939, as amended (hereinafter referred to as "Act 342"), did by resolution duly adopted by a majority vote of its members-elect on October 9, 1939, and by Ordinance No. 200 duly adopted on September 29, 1952 authorize and direct that there be established a system of sewage disposal improvements and services, to be known as the Wayne County Metropolitan Sewerage and Sewage Disposal System (hereinafter referred to as the "County System"), and did designate the BOARD as the agency for the County to operate and maintain such System with all the powers and duties conferred upon such agency by statute; and

WHEREAS, said Ordinance No. 200 specifically provides, in part, as follows, to wit:

"Section 10. To provide for necessary improvements, additions and extensions to the System, and the financing thereof, the Board is authorized to prepare plans, details and specifications therefor, to prepare and submit necessary ordinances, resolutions or other documents necessary to the issuance of any of the type of bonds or notes authorized by the provisions of Act 342, Public Acts of 1939, as amended, and to that end is authorized to make and execute contracts, agreements or other documents relating thereto as authorized by the provisions of said Act; Provided, However, that before any bonds or notes are issued or sold, the proceedings authorizing the issuance or sale shall be formally approved by resolution or ordinance of the Board of Supervisors of Wayne County in manner provided by said Act."

WHEREAS, because of the extremely rapid growth and development of the area in the County of Wayne located in the TOWNSHIP and the CITY for industrial, commercial and residential purposes, an imperative need has existed and does now exist for sanitary sewer interceptor facilities to provide for said needs, together with secondary treatment facilities at the Flat Rock sewage disposal plant owned by the County and operated by the BOARD, and it is now necessary to preserve and protect the public health that such sanitary sewer interceptor and treatment facilities be financed and constructed; and

WHEREAS, the sanitary interceptor sewer and treatment facilities hereinbefore referred to, which are now necessary to be constructed, are described as follows, to wit:

**Flat Rock Gravity Section**  
A sanitary sewer in the City of Flat Rock beginning at a point in Huron River Drive adjacent to the Wayne County Sewage Treatment Plant and proceeding thence westerly in Huron River Drive approximately 800 feet; thence southwesterly in private easements approximately 600 feet to a point 10' south and 5' east of the S. E. corner of lot No. 15 of the Flat Rock Land Company's Subdivision; thence westerly in private easements and Church Street right of way approximately 1400 feet to the intersection of Atwater and Church Streets; thence northwesterly in Atwater Street approximately 800 feet to Arsenal Road; thence northerly in Arsenal Road approximately 1300 feet to Huron River Drive; thence westerly in Huron River Drive approximately 4200 feet to Inkster Road, together with pumping station, necessary manholes and other appurtenances.

## Huron River Drive Force Main Section

A sanitary force main in the Township of Huron beginning at Inkster Road and Huron River Drive and proceeding northwesterly in Huron River Drive approximately 14,700 feet to Willow Road, together with pumping stations, necessary air and vacuum relief devices and other appurtenances.

## Huron Valley Gravity Section

A sanitary sewer in the Township of Huron, beginning at Huron River Drive and Willow Road and proceeding northwesterly in the flood plain of the Huron River approximately 21,000 feet to a point 40 feet west of the west right-of-way line of the C & O Railroad and 40 feet south of the centerline of Huron River Drive, together with necessary river crossings, manholes and other appurtenances.

## South Huron Road Gravity Section

A sanitary sewer in the Township of Huron, beginning at a point on the above described Huron Valley Gravity Section sanitary sewer, 10 feet south and 10 feet west of the west 1/4 corner of section 17; and proceeding southwesterly in Huron River flood plain, private easements and Bell Road right-of-way, approximately 1400 feet to a point 6 feet north and 2 feet west of the N. W. corner of lot No. 23 of Newman's Gibbs Acres Sub'n; thence southerly in private easements approximately 2200 feet to South Huron Road; thence westerly in South Huron Road approximately 4300 feet to Clark Road, together with necessary manholes and other appurtenances.

## Secondary Treatment Facilities

Additional facilities at the Flat Rock Sewage Treatment Plant necessary to provide secondary treatment of wastes, including plastic media filters, settling tank and related work such as pumping, piping, electrical, etc.

The above described and located sanitary sewer interceptor and treatment facilities shall include all necessary appurtenances and facilities.

A blueprint plan showing said sewer improvements is on file in the offices of the BOARD; and

WHEREAS, the BOARD has caused preliminary plans and estimate of cost of said proposed sewer improvements to be prepared by the engineering staff of the BOARD as to the interceptor sewer facilities, and by Hubbell, Roth and Clark, Inc., consulting engineers of Birmingham, Michigan, as to the treatment plant facilities, which said estimate of cost is in the sum of One Million Eight Hundred Seventy-seven Thousand (\$1,877,000.00) Dollars (which said estimate of cost is hereinafter referred to in this Contract as "estimated cost"); and

WHEREAS, the BOARD has received a Federal Grant under Public Law 660 of Four Hundred Fifty-two Thousand (\$452,000.00) Dollars towards the cost of the sewer project and the Huron-Clinton Metropolitan Authority, a public body corporate, is committed to pay the sum of Seventy-five Thousand (\$75,000.00) Dollars towards the cost of the project; and

WHEREAS, said sewer improvements constitute and will be additions to the County System, and it is the determination and judgment of the BOARD and the TOWNSHIP and CITY that said new sanitary sewer improvements should be financed and constructed pursuant to the authorization provided in Act 342 and Ordinance No. 200, hereinbefore referred to, all of said new sewer improvements being vitally necessary to preserve and protect the public health; and

WHEREAS, the Contract will become effective upon approval of the same by appropriate resolutions of the Township Board of the TOWNSHIP; the City Council of the CITY; the publication thereof as required by Act 342; the expiration of the referendum period provided in Act 342; and the execution thereof by the authorized officers of the parties hereto;

NOW, THEREFORE, in consideration of the premises and the covenants of each other, the parties hereto agree as follows:

1. The BOARD, the TOWNSHIP and the CITY, hereby approve and confirm the sewer improvements to be acquired and constructed as set forth in the preamble to this Contract, and agree that the same shall be acquired and constructed in the manner provided by and pursuant to this Contract. The BOARD, the TOWNSHIP and the CITY, further hereby approve and confirm the preliminary plans for said sewer improvements prepared by the engineers and the estimated cost as set forth in the preamble hereto. The acquisition and construction of the sewer improvements herein approved are hereinafter in this Contract referred to as PROJECT TO BE FINANCED, or in some instances as PROJECT.

2. The PROJECT TO BE FINANCED and the estimated cost thereof in the sum of One Million Eight Hundred Seventy-seven Thousand (\$1,877,000.00) Dollars, as set forth in the preamble to this Contract, include all surveys, plans, specifications, acquisition of property for rights-of-way, including consequential and abutment damages, if any, and interest on awards, physical construction necessary to acquire and construct the sewer improvements approved and confirmed in paragraph 1 of this Contract, the acquisition of all materials necessary to acquire and construct said sewer improvements, and engineering supervision, administrative, legal and financing expenses necessary in connection with the acquisition and construction of said sewer improvements and the financing thereof, including interest on bonds to be issued by the County for a period of one (1) year.

3. The BOARD will acquire and construct the sewer improvements approved and confirmed in paragraph 1 of this Contract and for that purpose will take bids for the acquisition and construction of the improvements prior to the time that any bonds are issued for the purpose of financing part of the cost of said improvements. The BOARD shall in no event enter into any final contract or contracts for the construction and acquisition of said improvements where such contract price or prices will be such as to cause the actual total cost of the PROJECT TO BE FINANCED to exceed the estimated cost, as set forth in the preamble to this Contract, unless the TOWNSHIP, by resolution of its Township Board, and the CITY by resolution of its City Council, approve said increased total cost and agree to pay the excess over the estimated cost, either in cash, or by specifically authorizing the maximum principal amount of bonds to be issued as provided in paragraphs 6 and 7 of this Contract, to be increased to an amount which will provide sufficient funds to meet said increased total cost, and a similar increase in the installment obligations of the TOWNSHIP and the CITY pledged under the terms of this Contract to the payment of such bonds. The sewer improvements shall be acquired and constructed by the BOARD in accordance with the plans and specifications therefor based on preliminary plans approved by this Contract; Provided, However, that minor variations from said plans and specifications may be made without the approval of the TOWNSHIP and the CITY if such variations shall not materially affect said plans and specifications. All matters relating to the engineering plans and specifications, together with the making and letting of final construction contracts, for the sewer improvements specified in paragraph 1 of this Contract, shall be in the exclusive control of the BOARD. All acquisition of rights-of-way, inspection and the approval of work and materials thereunder and all construction supervision shall be done by the BOARD.

4. The TOWNSHIP and the CITY each consent to the use by the BOARD, acting for and on behalf of the County of Wayne, of the public streets, alleys, lands and rights-of-way within their respective corporate limits, for the purpose of constructing, operating and maintaining said sewer improvements, and any enlargements or extensions thereto.

5. Upon completion of the sewer improvements specified in the preamble and approved in paragraph 1 of this Contract, the BOARD shall operate and maintain said improvements, for and on behalf of the County of Wayne. The sanitary sewage collected by the interceptor sewers will be transported for disposal and treatment at the Flat Rock Sewage Treatment Plant of the County of Wayne. The TOWNSHIP and the CITY each covenant and agree to pay the sewage disposal rate for the services herein provided established from time to

time by the County of Wayne, or the BOARD as the County agency.

6. To carry out and accomplish the PROJECT TO BE FINANCED, in accordance with the provisions of Act 342, Public Acts of Michigan, 1939, as amended, the BOARD shall take the following steps:

(a) The BOARD shall immediately take all steps necessary to take bids for and enter into and execute final construction contracts for the acquisition and construction of the sewer improvements specified in the preamble and approved in paragraph 1 of this Contract in accordance with the plans and specifications therefor based on the preliminary plans as approved by this Contract. Said final construction contracts shall specify a completion date of the sewer improvements.

(b) The BOARD will require and procure from the contractor or contractors undertaking the actual construction and acquisition of the sewer improvements, necessary and proper bonds to guarantee the performance of the contract or contracts, and such labor and material bonds as may be required by law, in such amount and such forms as may be approved by the BOARD.

(c) Submit to the Board of Supervisors of Wayne County, an ordinance or resolution, duly approved and recommended by the BOARD, providing for the issuance of bonds in the aggregate principal amount of \$1,350,000.00 (being the present estimated cost of the PROJECT less the Federal Grant and payment by the Huron Clinton Metropolitan Authority specified in the preamble hereto), or such different amount reflecting any revision in the estimated cost, or any additional moneys received by virtue of Federal grants or otherwise prior to the sale of the bonds, maturing serially over a period of years and as authorized by law, which bonds will be secured primarily by the payments hereinafter provided to be made by the TOWNSHIP and the CITY, to the making of which payments their respective full faith and credit is hereby pledged, and secondarily, if approved by its Board of Supervisors as authorized by the Act, by the full faith and credit of the County of Wayne.

(d) The BOARD, upon receipt of the proceeds of sale of the bonds, will comply with all provisions and requirements provided for in the ordinance or resolution authorizing issuance of the bonds and this Contract relative to the disposition and use of proceeds of sale of the bonds.

7. The sanitary sewer interceptors comprising a portion of the PROJECT are designed to furnish interceptor sewer service to the entire area of the TOWNSHIP and that portion of the area of the CITY where the sewage will be collected for treatment and disposal in the Flat Rock Sewage Treatment Plant of the County. The improvements to the Flat Rock Sewage Treatment Plant will provide secondary treatment necessary to meet the requirements established by the Water Resources Commission of the State of Michigan. Said Treatment Plant, as so improved and expanded, is designed to provide sufficient capacity to handle the initial load and the anticipated load for several years thereafter. If additional capacity is needed in said Treatment Plant in the future, the municipality or municipalities creating the need for such additional capacity shall be responsible for the cost of the necessary expansion of the Treatment Plant to provide such additional capacity. Any such expansion shall be performed by the BOARD on behalf of the County.

8. The cost of the PROJECT, after application of the Federal Grant and the payment of the Huron Clinton Metropolitan Authority referred to in the preamble hereto, is hereby allocated to the TOWNSHIP and the CITY in the following percentages:

Township of Huron	67.348%
City of Flat Rock	32.652%

Such cost (presently estimated at \$1,350,000.00) will be represented by bonds to be designated WAYNE COUNTY METROPOLITAN SEWERAGE AND SEWAGE DISPOSAL SYSTEM BONDS (HURON-FLAT ROCK SECTION), to be issued by the County of Wayne in anticipation of the contractual obligations herein expressed, in the aggregate principal amount of the cost of the PROJECT after deducting the Federal Grant and payment by the Huron Clinton Metropolitan Authority hereinbefore referred to, or any prepayments or other advances, as estimated or determined at the time of such issuance. Said bonds shall mature over a period of not less than thirty (30) years, as shall be fixed and established by the bond ordinance or resolution to be adopted by the Board of Supervisors of Wayne County in accordance with the requirements of Act 342. The TOWNSHIP and the CITY, each for itself, herein covenants and agrees to pay its proportionate share of the principal of and interest on said bonds so issued plus paying agent fees and other expenses for payment and administration of the bonds, which proportionate share shall be determined by applying to the payments of bond principal and interest becoming due, the percentages set forth in this paragraph.

Immediately upon the issuance of the bonds by the County the BOARD shall notify the TOWNSHIP and the CITY, by written communication addressed to their respective treasurers, of the schedule of payments of the principal of and interest thereon, the proportionate share thereof to be paid by each, and the amount of such proportionate annual payments to be made by each in accordance with the percentages specified above. The TOWNSHIP and the CITY, each for itself, hereby covenants and agrees, not less than thirty (30) days prior to the due date of any principal of and interest on such bonds, to remit to the BOARD sufficient funds to meet its proportionate share of said payments in full. Paying agent fees and other costs and expenses from handling the bonds shall be paid by the TOWNSHIP and the CITY in the proportions herein specified promptly on receipt of a bill therefor from the BOARD.

If either the TOWNSHIP or the CITY pays its share of the cost of the PROJECT, or any portion thereof, prior to the issuance of the bonds, then the percentages shall be adjusted accordingly so that when applied to the principal of the bonds issued, such percentages will reflect the division of the cost as herein provided.

9. No change in the jurisdiction over any territory in the TOWNSHIP or the CITY shall in any manner impair the obligations of this Contract. In the event all or any part of the territory of either of said municipalities is incorporated as a new city or is annexed to or becomes a part of the territory of another municipality, the municipality into which such territory is incorporated, or to which such territory is annexed, shall assume the proper proportionate share of the contractual obligation of the municipality from which such territory is taken, based upon a division determined by the BOARD, which shall make such determination after taking into consideration all factors necessary to make the division equitable and, in addition, shall prior to such determination receive a written recommendation as to the proper division from a committee composed of one representative designated by the governing body of the municipality from which the territory is taken, one designated by the governing body of the new municipality or the municipality annexing such territory, and one independent registered engineer appointed by the BOARD. Each municipality shall appoint its representative within fifteen (15) days after being notified to do so by the BOARD, and within a like time the BOARD shall appoint the engineer third member. If any municipality shall fail to appoint its representative within the time above provided, then the BOARD may proceed without said recommendation. If the committee shall not make its recommendation within forty-five (45) days after its appointment or within any extension thereof by the BOARD, then the BOARD may proceed without such recommendation. In the consideration of the matters herein provided, including the designation of the third member of the committee, any member of the BOARD who is also an official of either affected municipality shall be disqualified to act or vote.

10. The TOWNSHIP and the CITY, pursuant to the authorization of Section 5a of Act 342, Public Acts of Michigan, 1939, as amended, each irrevocably pledges its full faith and credit for the prompt and timely pay-

ment of its obligations expressed in this Contract, and shall each year commencing with the year 1968, levy a tax in an amount which, taking into consideration estimated delinquencies in tax collections, will be sufficient to pay its obligations under this Contract becoming due before the time of the following year's tax collections. Such tax levies, under the provisions of Section 6, Article IX, of the Michigan Constitution of 1963, shall be without limitation as to rate or amount, being for the purpose of meeting contract obligations in anticipation of which bonds are issued. Nothing herein contained shall be construed to prevent the TOWNSHIP and the CITY from using any, or any combination of, the methods provided in Section 5a of Act 342, Public Acts of Michigan, 1939, as amended, or any other applicable law, for the purpose of providing the funds necessary to meet their respective obligations under this Contract and, if at the time of making such annual tax levy, there shall be other funds on hand earmarked and set aside for the payment of said Contract obligations becoming due prior to the next tax collection period, then the annual tax levy may be reduced by such amount.

11. The TOWNSHIP or the CITY may pay in advance any of the installment payments required to be made by them under this Contract, in which event the BOARD shall credit the TOWNSHIP or the CITY making such payment with such advance payment on future due payments due by it to the extent of such advance payment.

12. In the event the TOWNSHIP or the CITY shall fail for any reason to pay to the BOARD at the times specified, the amounts herein required to be paid, the BOARD shall immediately notify, in writing, both the County Treasurer of the County of Wayne or such other official charged with the disbursement of funds derived from the State sales tax levy to County municipalities and the governing body of such municipality, of such default and the amount thereof, and if such default is not corrected within ten (10) days after such notification, the County Treasurer or other official charged with disbursement to such municipality of funds derived from the State sales tax levy and returnable to such municipality pursuant to Section 10, Article IX of the Michigan Constitution of 1963, is by these presents specifically authorized by such municipality to withhold sufficient funds derived from such sales tax levy and returnable to such municipality as may be in default, and to pay said sums so withheld to the BOARD to apply on the obligation of such defaulting municipality as herein set forth. Any such moneys so withheld and paid shall be considered to have been returned to such municipality within the meaning of Section 10, Article IX of the Michigan Constitution, the purpose of this provision being solely voluntarily to authorize the use of such funds to meet past due obligations of the TOWNSHIP or the CITY to which said moneys are owed. In addition to the foregoing, the BOARD shall have all other rights and remedies provided by law to enforce the obligation of the TOWNSHIP and the CITY to make payments in the manner and at the times required by this Contract. It is specifically recognized by each of such municipalities that the payments required to be made by it pursuant to the terms of this Contract are to be pledged for the payment of principal of and interest on bonds to be issued by the County, and such municipality covenants and agrees that it will make its required payments to the BOARD promptly and at the times herein specified, without regard as to whether the PROJECT is actually completed or placed in operation.

13. After completion of said PROJECT and payment of all costs thereof, any surplus remaining in the construction fund, whether derived from the proceeds of sale of the bonds or any other source, shall be used and applied as follows:

(a) Any surplus up to and including \$75,000.00 shall be credited as follows, and in the following percentages, to wit: TOWNSHIP - 81.903%; CITY - 11.137%; and Huron Clinton Metropolitan Authority - 6.960%.

(b) Any surplus in excess of \$75,000.00 shall be credited as follows, and in the following percentages, to wit: Township of Huron - 67.348%, and City of Flat Rock - 32.652%.

(c) All credits under either (a) or (b) above to the TOWNSHIP and the CITY shall be applied to their next due payments required under the provisions of this Contract. Any credit to the Huron Clinton Metropolitan Authority under (a) above shall be paid in the form of a cash rebate.

14. If the proceeds of sale of the bonds to be issued by the County are for any reason insufficient to complete the PROJECT in accordance with plans and specifications therefor, the BOARD shall, if necessary, submit to the Board of Supervisors of Wayne County a resolution providing for the issuance of additional bonds in an amount necessary to provide funds to complete said PROJECT, in which event the duties and obligations as expressed and set forth in paragraph 8 of this Contract shall be applicable to such additional issue of bonds as well as the original issue, it being at all times fully recognized and agreed that payments to be made by the TOWNSHIP and the CITY in the proportions specified in paragraph 8 of this Contract, in the manner specified in paragraph 8 of this Contract, shall be based on the cost of said PROJECT after application of the Federal Grant and the payment of the Huron Clinton Metropolitan Authority referred to in the preamble hereto. In lieu of the issuance of such additional bonds, any other method may be agreed upon by the BOARD and the TOWNSHIP and the CITY to provide the necessary funds to complete said project.

15. The TOWNSHIP reserves the right to sell any available capacity in the interceptor sewers of the PROJECT serving the TOWNSHIP to the adjacent Township of Sumpter, County of Wayne, on such terms and conditions as may be mutually agreed upon between said parties, but any such agreement shall in no way affect, change, or in any way diminish the obligation of the TOWNSHIP as set forth in this Contract.

16. This Contract is contingent upon the County issuing its negotiable bonds, as set forth in subdivision (c) of paragraph 6 of this Contract, to defray the estimated cost of said PROJECT, which bonds shall be issued under the authorization provided in Section 5c of Act 342, Public Acts of 1939, as amended.

17. The BOARD and the TOWNSHIP and the CITY each recognize that the holders from time to time of the bonds issued by the County under the provisions of said Act 342, Public Acts of Michigan, 1939, as amended, and secured by the full faith and credit pledges of the TOWNSHIP and the CITY, respectively, to the making of their proportionate payments as set forth in this Contract, will have contractual rights in this Contract and it is therefore covenanted and agreed by each of them that so long as any of said bonds shall remain outstanding and unpaid, the provisions of this Contract shall not be subject to any alteration or revision which would in any manner affect either the security of the bonds or the prompt payment of principal or interest thereon. The TOWNSHIP and the CITY and the BOARD further covenant and agree that they will each comply with their respective duties and obligations under the terms of this Contract, promptly, at the times and in the manner herein set forth, and will not suffer to be done any act which would in any way impair the said bonds, the security therefor, or the prompt payment of principal and interest thereon. It is hereby declared that the terms of this agreement, insofar as they pertain to the security of any such bonds, shall be deemed to be for the benefit of the holders of said bonds.

18. All contracts for connection to the interceptor sewer facilities of the PROJECT, whether such connections are made during construction or after the interceptor sewer facilities are placed in operation, shall be made by the TOWNSHIP and the CITY as to such portion thereof within their respective corporate limits, subject to the approval of the BOARD, which approval shall not be unreasonably withheld. The actual costs of such connections shall be paid by such municipality except to the extent that the costs of

(continued on page 23)

ROMULUS PERSONALS

# Patients On The Mend After Recent Surgery

By PEARL MORRIS  
WH 1-1187

Mrs. Evelyn Piper, of Huron River drive West, remains a patient in Room 341 at Annapolis Hospital, Wayne, where she underwent back surgery about four weeks ago. She is reported coming along fine at this writing.

Mrs. Chris Fischer, of Wayne

road, is still convalescing at home after undergoing surgery several weeks ago.

The Mary Martha Circle of the W.S.C.S. will meet at the Romulus Community Methodist Church, on Olive street, Thursday, February 15, at 12:30 p.m.

4-H horse leaders of Wayne County will hold a business meeting tonight (Wednesday) at

8 p.m., at the 4-H Fairgrounds on Quirk road Belleville. All local horse leaders are urged to make plans to attend.

On Sunday afternoon Mr. and Mrs. Carl Morris and Mrs. Flora Morris, of Huron River drive South, visited a cousin, Irvin Merrill, of Allen Park, who has been quite seriously ill at Annapolis Hospital, Wayne. Susan Glaab, of Hannan road, was also a visitor.

Mr. and Mrs. Don Ellis, of Goddard road, returned home Sunday night from Arcadia, Wisconsin, where they attended funeral services on Friday for her mother, Mrs. Lillian Schmitt, 61. The couple arrived in Wisconsin a week ago Friday and spent a few days with Mrs. Schmitt before she passed away on Tuesday, following a cancer operation. She is survived by five children, 11 grandchildren, and one great-granddaughter.

Peter Glaab, of Hannan road, entered St. Joseph's Hospital, Ann Arbor, last Tuesday. He is expected home today (Wednesday).

Schoolmates were invited to help Ray Schulte celebrate his 12th birthday Saturday afternoon, February 10, from 2 to 4:30 p.m. The party was held at the home of his parents, Mr. and Mrs. Wilfred Schulte, of Eureka road. Games and lunch were the order of the day.

Mr. and Mrs. Russell Mach, of Greenville, Michigan, are the proud parents of a newly adopted son "Tony Russell," who they received February 4. A get-acquainted "open house" in honor of the little five-month-old red-haired boy was held Sunday afternoon at the home of Mrs. Mach's parents, Mr. and Mrs. Frank Patterson, on Ecorse road. Members of both families, other relatives and friends joined in 100 strong. The Machs also have a 12-year-old daughter, Louann. Mrs. Mach is the former Beverly Patterson.

The following relatives and friends called at the home of Mrs. Peter (Leona) Glaab, on Hannan road, Thursday, February 8, and helped her celebrate her birthday: Mrs. Ann Kochanski, Mrs. Ann LeBlanc, Mrs. Patty Chapp, Mr. and Mrs. John Glaab, Mr. and Mrs. Peter Glaab, Jr., Sister Elizabeth Seton of Carleton, Susan and Bill Glaab.

Mr. and Mrs. Sterling Powell and children, Leland Chris and Laura arrived the past week from Cottonwood, California, where they have resided for the past six years. Mr. Powell was transferred here with his work as an agricultural engineer. He will work with the Agricultural Department at Michigan State University. The Powell children are remaining with their grandparents, Mr. and Mrs. Leland Wiggins, of Ecorse road, while their

parents locate a home with some acreage in the Lansing area. The family also brought their horses to Michigan via horse-trailer.

Miss Rhea Wiggins, of Ecorse road, flew to California a couple of weeks ago to visit her sister and family, the Sterling Powells, in Cottonwood, and to make the trip to Michigan with them via camper and horse-trailer.

Mr. and Mrs. Norman Bidwell, of Huron River drive, are the parents of a 6 pound, 5 oz. son born Sunday, February 11, at Garden City Hospital. The baby was named "Clayton Joseph Patrick Michael." His grandparents are Mr. and Mrs. John Bidwell, of New Boston, and Mr. and Mrs. William Litogot, of Romulus. Mrs. Bidwell is the former Barbara Litogot.

## Huron Junior High Lists Students of the Month

NEW BOSTON -- Terri Ferstle, 14-year-old Huron Junior High ninth grader and outstanding student of the month, thinks the Peace Corps is an interesting career possibility.

Terri lives at 1922 Will Carleton Drive, Flat Rock, with her parents, Mr. and Mrs. Mark Ferstle. Her only brother, Tom, a graduate of Huron High, attends Michigan State University.

Her placing in the top 90 percent on the recent National Education Division Test tells her she has no trouble staying on the Honor Roll or winning a scholarship to Interlochen. She is active in her church choir and youth group as well as an active member of 4-H.

SHE IS a fan of all school sports and enjoys knitting and playing the flute in her spare time.

John Shine, also an outstanding student of the month from

Huron Junior High, enjoys raising and showing POA ponies for his 4-H Club.

His parents, Mr. and Mrs. John Shine of 29940 West Road, New Boston, also have two daughters.

John builds miniature rockets and belongs to the Science Club. He plays on the basketball team and is in the band. John plans to become an electrical technician.

Voted "Most Popular" by the senior class and member of the Homecoming Queen's Court, pretty Joyce Cook was the Student of the Month for January.

Joyce, Cheerleader squad captain, is Miss Activity Personified. She is active in Basketball Club, Future Teachers Association, Future Homemakers Association, Pep Club, Thespian Club, and the Quill and Scroll, the National Journalism Honor Society and Secretary of the Student Council.

She is quarterback for the Powder Puff football team and also plays basketball and softball.

Joyce will attend Michigan State University next fall where she will enroll as a home economics major.

Joyce and her parents, Mr. and Mrs. Merle Cook, live at 2320 Oakville-Waltz Road.

## Health Group to Show Film

NEW BOSTON -- The Huron Township Health Committee is planning to show the film "Parents to Child About Sex," a most interesting film produced by Wayne State University dealing with the positive aspects of sex education.

Mrs. Joseph Balog, president, announced the program as part of the Health Committee's effort to meet the community's request for information on this subject.

There will be a speaker prior to the film to explain how it relates to parents as well as a panel discussion afterwards. Parents will have an opportunity to ask questions of the panel as well as to discuss their thoughts on the subject.

The film will be shown at 7:30 p.m., Tuesday, Feb. 27, at the Huron Junior High School. Mrs. Donald Everingham will answer any questions regarding the program and can be reached at 753-5711.

## W.R. Cristobal Gets Promoted

BELLEVILLE -- William R. Cristobal, 23, son of Mrs. Nellie Cristobal, 22005 Sherwood road, was promoted to Army chief warrant officer in grade W-2 while serving as a helicopter pilot in Company A of the 9th Infantry Division's 9th Aviation Battalion near Bear Ca Vietnam.

## ROMULUS TOWNSHIP BOARD MINUTES

MINUTES OF THE REGULAR MEETING OF THE ROMULUS TOWNSHIP BOARD HELD ON FEBRUARY 5, 1968, AT THE TOWNSHIP HALL.

The meeting was called to order at 8:01 P.M. by Chairman Bizek.

Attendance roll call showing: Present: Bizek, Perry, Wallis, Stewart, Pennington, Raspberry, Wegienka.

Absent: None.

Excused: None.

Motion by Stewart, supported by Wallis, to accept the agenda as corrected. Motion carried unanimously.

Motion by Stewart, supported by Raspberry, to approve the minutes of January 16, 1968, with the following changes:

Page 3 - paragraph 2 - time and one half.

Page 3 - paragraph 4 - Motion by Raspberry, supported by Wegienka.

Motion carried unanimously.

SUPERVISORS REPORT

Motion by Raspberry, supported by Wallis, to reactivate the Industrial Development Committee and have the Clerk advertise in the paper for an Industrial Coordinator. Amendment by Pennington, supported by Raspberry, that the Supervisor submit a list of names to the Township Board for action at the next regular Board meeting. Motion carried unanimously.

Motion by Raspberry, supported by Pennington, to pay the Planning Commission members who attended meetings and have not yet been paid. Those include, Bizek, Wallis, Wahman, Sitar, ski, Barton, and Vaughn. Roll call vote showing: Ayes: Stewart, Raspberry, Pennington, Wegienka, Wallis, Nays: Perry, Bizek. Motion carried.

Motion by Stewart, supported by Perry, to rescind previous Board action not to pay Planning Commission members. Motion carried. Raspberry voting nay.

Motion by Stewart, supported by Perry, that Hay, Martin, and Skelly be on the list of those to be paid for serving on the Planning Commission. Motion carried. Raspberry voting nay.

Motion by Pennington, supported by Raspberry, that we exclude the office help in the Treasurers' office during tax collection time only, from staggering their starting time on Tuesdays. Roll call vote showing: Ayes: Bizek, Raspberry, Stewart, Wegienka, Pennington, Nays: Perry. Abstain: Wallis. Motion carried.

Motion by Perry, supported by Wallis, to pay Canejo & Sons Trucking in compliance with the Water Department report of 4200 unit pickups, retroactive to December 5, 1967, his contract opening date. Motion carried unanimously.

Motion by Stewart, supported by Perry, to rescind previous Board action taken on May 1, 1967, limiting the number of auxiliary policemen to 5. Motion carried unanimously.

Motion by Stewart, supported by Wallis, to re-appoint Vince Parratta as an auxiliary policeman. Motion carried unanimously.

Motion by Stewart, supported by Wallis, to set up dog inoculations at the Police Department on February 17, 1968, and February 24, 1968. Any employee that volunteers to work on this will receive accumulated time only. Motion carried unanimously.

Motion by Stewart, supported by Wegienka, that the building department check ceiling leaks at the fire halls and report back to the Board with their recommendations concerning any repairs that may be necessary. Motion carried unanimously.

Motion by Stewart, supported by Raspberry, that a letter be sent to the Wayne County Board of Assessors telling them that some residents have told them the assessor working in this area is asking personal ques-

tions of residents that are not pertinent to tax assessing work. Motion carried. Perry voting nay.

Motion by Stewart, supported by Pennington, that all Township owned vehicles are to be serviced and repaired at the Township Water and Sewer Department service garage. All applicable charges to be applied to the respective departments. All major items such as gasoline, oil, tires, anti-freeze, transmission fluid, etc., to be purchased on a bid basis from wholesale suppliers. Motion carried unanimously.

Motion by Stewart, supported by Perry, that all new Township employees hired as of this date, February 5, 1968, inclusive, must first be fingerprinted and cleared through the Township Police Department. Motion carried unanimously.

Motion by Stewart, supported by Raspberry, to grant separate tax statements to the Gaezler property and Mr. Bizek be mandated to sign the tax slips. Attorney Young stated this is legal and in compliance with the new Subdivision Control Act. Vote showing: Ayes: Perry, Stewart, Wallis, Wegienka.

Nays: Bizek, Raspberry, Pennington. Motion carried.

Motion by Stewart, supported by Perry, to delete V.T. Williams for non-appearance. Motion carried unanimously.

Motion by Pennington, supported by Wallis, to deny Mr. Vollmers request for permission to remove sand from the Township Recreation areas. Motion carried unanimously.

Motion by Perry, supported by Stewart, that the Township Board accept the deed gift of ten lots from Mr. Lindenbaum. Motion carried unanimously.

Motion by Raspberry, supported by Wegienka, to increase the Supervisor's salary to \$14,000.00 per year, the Clerk and the Treasurer to \$11,000.00 per year, and the Trustees to \$2400.00 per year. Attorney John Young advised that two Statutes are conflicting and the one that the Board should follow reads: "There will be an Annual Meeting of electors of each Township on the Saturday preceding the first Monday in April of each year." The Annual Meeting will be held on March 30, 1968.

Motion by Perry, supported by Stewart, to approve resolution #68-2 and the contract providing dust palliative for the Township roads. Motion carried unanimously.

Motion by Stewart, supported by Bizek, that the meeting be extended to 12:30 A.M. Vote showing: Ayes: Bizek, Stewart, Nays: Perry, Wallis, Pennington, Wegienka, Raspberry. Motion failed.

Motion by Stewart, supported by Wallis, that the attorney fees for union negotiations and the Lindenbaum property gift, be paid. Vote showing: Ayes: Raspberry, Pennington, Wallis, Stewart, Wegienka. Nays: Perry, Bizek. Motion carried.

Motion by Pennington, supported by Raspberry, to grant Toni Zaher termination pay for accumulated time and sick time. Motion carried unanimously.

Motion by Perry, supported by Stewart, that the Township Board go on record as publicly commending both Fire Chief Crava and his Volunteer Fire Department for their meritorious service over and beyond the call of Duty, and

BE IT FURTHER RESOLVED: That this Resolution be published in the local newspaper as a permanent record of gratitude by the residents of Romulus for the feeling of security that prevails due to the untiring efforts of the Romulus Fire Department.

BE IT FINALLY RESOLVED: That the Township Board of Romulus Township adopt and does hereby adopt this Resolution #68-3.

Respectfully submitted, Alfred J. Perry, Clerk Township of Romulus

by Wallis, to concur with the Fire Chiefs' letter requesting equipment, first checking to see if there is enough money available in the Fire Department Budget for the purchase of this equipment. Motion carried unanimously.

Motion by Perry, supported by Pennington, that the Township Board adopt Resolution #68-3 commending the Fire Department, as recommended by Supervisor Bizek. Motion carried unanimously.

Motion by Raspberry, supported by Pennington, to hire two employees for the Township Water Department. Motion carried unanimously.

Motion by Perry, supported by Wegienka, to adjourn. Motion carried unanimously.

The meeting was adjourned at 12:01 A.M. by Chairman Bizek as per Resolution #67-19.

Respectfully submitted, ALFRED J. PERRY, Clerk Township of Romulus

I, Alfred J. Perry, Clerk of the Township of Romulus, do hereby certify that the foregoing is a true copy of the minutes of the Regular Meeting of the Romulus Township Board, held on February 5, 1968, in the Township Hall.

Approved: Edmund Bizek, Supervisor.

## FOR 1967

The affair is sponsored by the St. Patrick's Altar Society. Donation is \$1. Prizes will be awarded.

## ROMULUS TOWNSHIP

## RESOLUTION NO. 68-3

WHEREAS: The Romulus Township Fire Department, under the capable direction of Fire Chief Joseph Crava, has for twenty-seven years demonstrated their ability to protect the lives and property of the Township, and

WHEREAS: These men have sacrificed time and worked under hazardous conditions in the interest of Public Safety, and

WHEREAS: The efficiency and responsibility this Department has shown in the course of job performance during their 24 hour, 7 day week standby,

THEREFORE BE IT RESOLVED: That the Romulus Township Board go on record as publicly commending both Fire Chief Crava and his Volunteer Fire Department for their meritorious service over and beyond the call of Duty, and

BE IT FURTHER RESOLVED: That this Resolution be published in the local newspaper as a permanent record of gratitude by the residents of Romulus for the feeling of security that prevails due to the untiring efforts of the Romulus Fire Department.

BE IT FINALLY RESOLVED: That the Township Board of Romulus Township adopt and does hereby adopt this Resolution #68-3.

Respectfully submitted, Alfred J. Perry, Clerk Township of Romulus

I, Alfred J. Perry, Clerk of the Township of Romulus, do hereby certify that the above is a true and exact copy of a Resolution adopted by unanimous vote of the Township Board on February 5, 1968, at the Romulus Township Hall.

Alfred J. Perry, Clerk Township of Romulus

## ATTENTION SUMPTER TOWNSHIP DOG OWNERS

There will be a mass vaccination of all Township dogs six months and older at Sumpter Township Firehall,

Saturday, February 17th and 24th

from 1:00 p.m. to 4:00 p.m.

The cost will be \$2.00 per vaccination and \$1.50 license fee for males and unsexed dogs, and \$2.50 for females.

Dogs not licensed by the first of March will cost double in accordance with the Sumpter Township Dog Ordinance.

WILLIAM GOUGER  
Sumpter Township Clerk

## Trenton Mat Power Blasts Belleville

Trenton's mat power, tapped as one of the strongest in the state this year, worked up a 32-10 victory over Belleville Thursday as the fourth ranked Trojans stayed undefeated in the Suburban Six Conference.

Belleville managed wins in two classes - 95 pound Brad Warrick pinned Neal Fuchs in 5-20 for the first five Tiger points while Rod Held polished off Bill Bahquist in 3:20 of the second period in the 145 pound match for the other five-point victory.

Coach Jim Richendollar's Tigers collided with Crestwood earlier in the week and carved out a 31-17 victory over the Chargers.

Aside from Warrick's three point victory over Al Paparelli and Held's 2:32 pin in the 145 of John Chilpala, Belleville also won five other matches.

Belleville lost out in the 103 pound class where Mike Roberts dropped a 7-0 decision to Jerry Folmar. The Tigers also sur-  
rendered the 112 to their non-conference rivals when Darwin Loyer was nipped by Mike Bjerke.

Phil Poet tied it up for the Tigers in the 112 as he emerged

## AT STATE FAIR COLISEUM Spotlight on Variety at Sportsmen, Vacation Show

The Detroit Sportsmen's and Vacation Show - that delightful reprieve from winter's discom-  
forts for this area's countless outdoor enthusiasts - comes along March 1 through March 10 at the State Fair Coliseum for its annual ten days of rousing good fun.

As he has done each year since he founded the outstanding De-  
troit show, Producer Tom Dur-  
ant has evolved a number of  
innovations to go with the pop-  
ular holdover features. There's  
something for every man, wo-  
man and child in love with the  
outdoors, a family show to the  
nth degree.

## Basketball Doing Well At Huron

NEW BOSTON -- The Huron Junior High basketball teams are doing very well this season, Dave Schultz, Junior High School Principal and Athletic Director, reported. The ninth grade team, coached by Joe Brosnan, has currently won nine games while losing only two.

Coach Brosnan, who has been with the Huron Schools for four years, attributed hard work in practice and hustle in the games as the prime factors in the team's success.

The team is led in scoring by Randy Gorham and Tutch Suemnick. The rebounding chores are being done by six-foot, three-inch Don Mittlestat and six-foot, one-inch John Ruby. The team is also getting excellent floor work from Tom Umin, Rick Tipper and Dennis Krzeminski.

ALL HOME games are held at 7 p.m. in the Huron Senior High gymnasium and fans are en-  
couraged to see the future "CHIEFS" in action.

The seventh and eighth grade team is being coached by Henry Smith. Their record is three wins and three losses. The squad is composed of both seventh and eighth grade boys.

Leading on both scoring and rebounding is six-foot, two-inch Ron Bice, an eighth grader. Other players seeing consider-  
able action are Dan Clark, Frank Causey, Chuck Inman and Duane McDavid, all eighth graders; and seventh graders Mario Gracia, Dennis Bowman and Jim Hinojosa.

## Romulus '5'

(continued from page 19)

scoring honors. Stremack was close by with 18.

At the foul line Romulus hit on 13 of 19 chances to the Cos-  
mos' eight of 18.

With only prestige at stake, Romulus prepares to take on second-place Ecorse Friday night in the Raiders' gym. An Ecorse loss would not have any effect upon its second place standing. Romulus could make it 4-4 in the league and pull away from Hamtramck and Wil-  
low Run which are presently tied for fourth with identical 2-5 records.

The Michigan AAU celebrates its 45th year of existence dur-  
ing 1968.

## Valentine Fete Is Highlighted By Box Social

ROMULUS -- A revival of the old-fashioned box social was the highlight of the Valentine's Party held Saturday evening, Feb. 10, by the 4-H Southwest District at the P.N.A. Hall, Sumpter road, Belleville.

Unfamiliarity with box socials, together with the cold weather, were factors which likely kept attendance to less than 100. However, everyone took part in the planned activities, and, together with dancing to the young "Keynotes" band from Wyandotte, found it a very enjoyable evening.

James Tillotson of New Boston, auctioned the decorated boxes brought by the ladies, who each ate lunch with the gentleman who bid highest for her box. At the close of the evening, Ed Beatty of Belleville auctioned off the decorated cakes.

Hall decorations were put up by Mrs. Ed. Beatty and Crystal Redlin, assisted by 4-H'ers. In charge of registration were Mr. and Mrs. Keith Kentala of New Boston, Chris Fischer of Romulus, was general chairman of the activity, and is president of the Southwest District.

The next important event being planned by the 4-H Southwest District leaders group is the annual Spring Achievement Day. This is scheduled for Saturday, March 16. Fred Hay has secured the gymnasium of the Romulus Junior High School for the occasion.

NEW MOTEL NEAR COMPLETION --- A new motel complex nears completion at Merriman and Wickham Roads. The \$2.3 million complex is owned and being built by Jack Wilson, owners of Jac's Bar and Lounge, and the Wilson Construction Company, both of Romulus. On site inspection above is T. K. Smith, general manager; Mrs. Marie Duke, secretary and treasurer; and Jack Wilson, president and the chairman of the board.

## Motel Nears Completion

ROMULUS -- A new \$2.3 million motel complex nears completion at Merriman and Wickham roads.

The new motel is being built on a seven acre site and is expected to be completed in June.

Owner and the builder of the motel complex is Jack Wilson, owner of Jac's Bar and Lounge, and the Wilson Construction Company, both of Romulus Township.

ning room and a patio designed for large outdoor parties.

Wilson's firm is the builder and general contractor. Architects are Daniels & Zermack of Ann Arbor.

Chairman of the Board is Wilson. Other officials of the firm are: Mrs. Marie Duke, secretary and treasurer, and food and beverage manager; and T. K. Smith, general manager.

THE NEW and large residential complex will have 158 units, an outside swimming pool, a 100-person capacity cocktail lounge, six conference rooms that will seat as many as 1,100 persons. It will also have a 200-person capacity dining room and a patio designed for large outdoor parties.

### Collum Assigned

ROMULUS -- Army Private John P. Collum, 17, son of Mr. and Mrs. Paul C. Collum, 32430 Prescott, Romulus, Mich., was assigned as a rifleman with the 3rd Infantry Division in Germany, Jan. 25.

## Notice

### Sumpter Township Residents

There will be a meeting of the Sumpter Emergency Force, Thursday, February 15, 1968, at the Sumpter Township Hall, 23483 Sumpter Road, Belleville, Michigan, at 8:00 p.m.

All interested male citizens of Sumpter Township, age 21-50 are urged to attend.

ROBERT MARBLE  
Police Commissioner

## Cub Pack 1071 Airs Activities

BELLEVILLE -- The Cub Scouts of Pack 1071 have had some very interesting activities.

In November, they held their Space Derby. Each cub scout made their own space craft and held a race with awards going to Steve Conley, first; Randy Gilliland, second; Jeff Robertson, third.

In December, a Christmas Party with a gift exchange and a movie, "Christmas Again." The Wednesday after Christmas, they toured the Museum at Greenfield Village.

Saturday, Feb. 10, the cubs attended the Shrine Circus and had supper at one of our local restaurants.

Awards in the recent months have been presented to Glen Patterson and Phillip McAtee, assistant Denner's Badge, Dale French and Randy Gilliland, Denner's Badge, One year pins to Dale French, Phillip McAtee, Jeff Robertson and Glen Patterson. Two year pins to Randy Gilliland, Bear Badge to Jeff Robertson. The last Lion Badge was presented to Steve Conley.

A Blue and Gold Banquet will be held at the First Methodist Church of Belleville, Feb. 26, at 6:00.

Boys aged 8 to 10 interested in joining Cub Scouts are asked to contact the Cub Master Glen Robertson at OX 7-7589.

## Area Obituaries

BRUNDAGE, Mabel Elizabeth, 71, 356 Edison st., Belleville, a former elementary teacher in the Van Buren Schools, died Feb. 4 at her home. She was born April 11, 1896, in Washington County, Minnesota, and had lived in the Belleville community for some 40 years.

Survivors are a brother, Russell Landes, of St. Paul, Minn., two nieces, and a nephew.

Services were held Tuesday, Feb. 13, from Roberts Bros. Funeral Home, the Rev. Allen B. Rice, II, officiating. Interment was in Roselawn Cemetery, St. Paul, Minn.
